I. PURPOSE: To prescribe the use of the Security Classification Guidelines.

II. IMPLEMENTATION

- A. Security classification will be based on the Security Classification Guidelines.
- B. All policies and procedures for security classification are contained in the "Security Classification Guidelines Manual." Any changes will be issued as revision notices to the Manual.
- C. Each general confinement inmate is automatically scheduled for a Security Classification Guideline calculation every six months as part of his or her regular Semi-annual Review. When the Guideline indicates a change in security status, a Scheduled Transfer Review is printed out as part of the inmate's Semi-annual Review.
