LOCATION OF PAT FRISK:

This form is to be used whenever a male officer conducts an emergency cross gender pat frisk of a female inmate. A male officer may perform emergency pat frisks of female inmates when exigent circumstances exist and a female officer is not present at the location where the frisk is to be conducted or, if present, is not available to perform the pat frisk. Exigent circumstances mean any set of temporary and unforeseen circumstances that require immediate action in order to combat a threat to the security or institutional order of a facility. The pat frisk shall be conducted in a location where there is regular access and traffic by staff, inmates, or both, rather than in a more remote or less traveled area. In facilities with CCTV capabilities, pat frisks should also be conducted in the area where a camera is present.
