

**Albion Correctional Facility: “Adopt a Troop”  
January 15, 2014**

Superintendent Powers, his executive team and The State Employees Federated Appeal (SEFA) Committee at the Albion Correctional Facility (Orleans County), held an “Adopt a Troop” event for the holiday season in December.

The donations were split between two employees’ children who are stationed overseas (Navy) and in Afghanistan (Army). Within a two hour period, staff donated approximately 200 lbs of food, candy, toothbrushes, and magazines for those who are serving our Country and could not be home for the holidays.

The Albion Correctional SEFA Committee will continue this event and many other events in order to give back to the staff and their families, including the Orleans County Community.
