

**Butler Correctional Facility “adopts” a family during the holidays
February 14, 2014**

Butler Correctional Facility (Wayne County) learned of a local four-year-old boy whose mom had been injured and is unable to work. The employees “adopted” this family and helped them during the Holiday season. The staff at Butler generously provided the family with a special holiday luncheon, an assortment of gifts, gift cards and gift certificates. The Butler Correctional Facility family made the holidays a truly special time for this family.
