

**Butler C.F and Rochester C.F Work Together to Donate Books to Local School District
March 10, 2014**

The 2014 Dr. Martin Luther King, Jr. Children's Literacy Drive was coordinated by Cheryl Nevelizer, Senior Librarian at Butler Correctional Facility (Wayne County). Rochester Correctional Facility (Monroe County) also joined the effort with Butler to collect gently used books that were donated to the Cuyler Elementary School in Red Creek, NY. Both facilities often donate goods and services to the Red Creek School District and the impact on the community is positive.
