

**DOCCS SIST Unit receives the NYS ATSA/Alliance Excellence Award  
May 21, 2014**

Congratulations to Mary Osbourne and the entire Strict and Intense Supervision and Treatment (SIST) unit for receiving the Marilyn Etcheverry Award! The New York State Association for the Treatment of Sexual Abusers (NYSATSA) and the New York State Alliance of Sex Offender Service Providers (NYSASOSP) nominated the SIST program for the Marilyn Etcheverry award, which is awarded each year at the NYSATSA/Alliance annual conference. The Marilyn Etcheverry Award of Excellence is given to the individual or program that has been identified as having done exemplary work in the field of evaluation, treatment and/or supervision of sex offenders. The award is in recognition of the efforts of both the Office of Mental Health and DOCCS who together supervise and manage high risk sex offenders in the community, enhancing public safety.
