Latinos Unidos Organization at Orleans Correctional Facility Donates to Local Food Pantry

The Latinos Unidos Organization (LUO) of Orleans Correctional Facility helped support the Community Action Outreach Programs by donating over 200 canned food items to the Food Pantry of Albion, NY. The LUO set a goal of 125 cans in the beginning of the donation drive and to help spur donations, the LUO offered a free movie to whoever donated a canned good. The main focus of the organization is to provide a civic service through the combined efforts of the inmates within the organization and within general population by actively creating and supporting non-profit projects.

From L. to R.: Recreation Program Leader, Olinger, Santos, Johnson, Recreation Program Leader, Hall and Ms. Skowneshi, a representative from Community Action of Orleans and Genesee Counties.

Livingston Correctional Facility Makes a Difference

On Saturday, October 25th, 26 volunteers spent the day making a difference in their community. Employees of Livingston Correctional Facility along with their families, helped elderly people in the Livingston County area by raking leaves, cleaning gutters, washing windows, building a snow fence and putting up Christmas decorations. The team also consisted of employees from Groveland and Elmira Correctional Facilities and they covered a lot of ground in one day. Homes in Dalton, Nunda, and Mount Morris were designated as those most in need of assistance by the Catholic Charities' Faith in Action Program.
