

## Corrections and Community Supervision

### Bare Hill Inmates Donate \$2,000 to Two Separate Charities

January 8, 2015

The Inmate Liaison Committee (ILC) at Bare Hill Correctional Facility made two separate \$1,000 donations over the holiday season. The first check was made out to the Make-A-Wish Foundation while the second check was given to the Creative Corrections Education Foundation. It was during a November 2014 meeting where ILC members discussed what they could do for the upcoming holiday season. The group took into account the words spoken to them by Superintendent Yelich who said “the holidays are for giving, not receiving.”

The ILC Staff Advisor, Vocational Instructor Branch, said the two inmates who presented the check approached him and told him how good it made the two feel. “I could tell they were both emotionally moved by the experience,” Branch stated.
