Cayuga Correctional Facility Feeds Needy Families For Thanksgiving December 7, 2015

This past Thanksgiving staff at the Cayuga Correctional Facility (Cayuga County) donated boxed meals that fed 22 families. The boxes were filled with turkeys, stuffing, gravy, milk, potatoes, cranberries, vegetables, candy, and rolls and were distributed throughout the community for needy families to enjoy. The event, known as Operation Drumstick, was a complete success thanks to the many staff, from security to civilian, who helped make it possible.
