Gouverneur Correctional Facility Collects, Donates Books To Children

April 2, 2015

The Gouverneur Correctional Facility recently held its annual book drive where 70 children's books were collected and donated to a local Head Start Program. The event at Gouverneur, [which grabbed local headlines](#), was orchestrated by facility librarian Katherine Freund. Each year the facility holds the book drive around Martin Luther King Day, where new or gently used books are accepted for distribution to area children's facilities.
