

## Corrections and Community Supervision

### **Teen Dating Violence Awareness and Prevention Month**

February 19, 2015

February is Teen Dating Violence Awareness and Prevention Month. DOCCS TV Studio staff provided several days of video production assistance to the Office for [the](#) Prevention of Domestic Violence (OPDV) staff by filming offsite at a local high school followed by further video editing at the Albany Training Academy. OPDV produced a [four](#) minute video that was distributed to schools throughout New York and can be watched [here](#). For more information about Teen Dating Violence and how you can get involved, click [here](#).
