Community Supervision Staff Raise Nearly \$4,000 for the American Cancer Society

This fall, DOCCS' Manhattan Area Office staff hosted several events to raise funds for the American Cancer Society's Making Strides Walk in Central Park. Through bake sales, luncheons, and t-shirt sales, we are happy to announce that the office raised a grand total of \$3,757.00 toward the event. The group looks forward to raising even more money next year and hopes to add fellow area offices to the fundraising team as well!
