

Otisville Correctional Facility Welcomes President of John Jay College of Criminal Justice

Jeremy Travis, President of John Jay College of Criminal Justice, and Psychology Professor, Preeti Chauhan, recently visited Otisville Correctional Facility to lead a learning exchange for students. Both students from within the facility and those from the outside campus worked in groups to analyze statistics and charts related to contact with the criminal justice system. The groups then theorized about the data and presented their proposed findings to President Travis and Professor Chauhan. Students were animated and engaged throughout the learning exchange, saying they enjoyed the opportunity and the unique perspective that it offered.
