### Otisville Inmates Stuff Envelopes To Help Local Food Bank

Inmates at Otisville Correctional Facility recently volunteered to stuff approximately 50,000 envelopes to help assist a local food bank. Last month 38 inmates turned stuffing the envelopes into a friendly competition to see who could outwork the other. The real winner was the Hudson Valley Food Bank, as after three days of stuffing the envelopes the food bank will now be able to easily seek donations just in time for the holiday season.
