

### **Cape Vincent Correctional Facility Makes Generous Donation to Local School**

Thanks to the generous donations of staff at Cape Vincent Correctional Facility, the Make a Difference Day Committee was able to donate 50 new backpacks to Thousand Islands Central School for their “Backpack Program”. The Committee hosted several fundraisers in order to purchase the backpacks prior to the start of the new school year. The “Backpack Program” fills backpacks with easy to prepare, non-perishable foods for local families each Friday afternoon to ensure that the children are fed when other resources are not available on weekends or during school breaks.
