

Corrections and Community Supervision

Five Points and Otisville Correctional Facilities Host Martin Luther King, Jr. Day Food Drives

Staff at Five Points and Otisville Correctional Facilities recently hosted food drives in honor of Martin Luther King, Jr. Day to benefit food pantries within their local communities. Thanks to the generosity of staff at both facilities, Five Points was able to donate 103 pounds of goods to The Ovid Food Bank in Ovid, NY and The House of Concern in Seneca Falls, NY, and Otisville was able to donate \$500 worth of goods to the Regional Economic Community Action Program Food Pantry (RECAP) in Middletown, NY. Please join us in recognizing those involved in the planning and facilitation of these food drives for their hard work and dedication to their community.
