

## Corrections and Community Supervision

### Gowanda Correctional Facility Honors Native American Heritage Month

In honor of Native American Heritage Month, both staff and inmates at Gowanda Correctional Facility organized a community outreach project to benefit the local native American community. Throughout the month of November, non-perishable foods, clothing, and personal hygiene items were collected to be donated to the Buffalo Native Resource Center (BNRC). The BNRC was established by the Seneca Nation of Indians and provides support services to the Seneca population in the City of Buffalo. After a month of collecting donations, Chaplain Nicole Thompson was able to deliver almost 500 pounds of goods to the BNRC, whose staff were very appreciative of the donation during the holiday season.
