Gowanda Correctional Facility Hosts Graduation Ceremony

Gowanda Correctional Facility recently held a graduation ceremony to both award students with certificates and honor the accomplishments made by Students of Excellence. In all, 27 students received their T.A.S.C. certificates, 12 students were recognized for academic achievements, and two students were noted for vocational accomplishments. The class's Valedictorian urged peers to continue to pursue even greater accomplishments, saying, "We accomplished our goal of receiving our education, now we need to work toward our next goal." Speakers at the event included Superintendent Kickbush, Deputy Superintendent of Programs Latona, and keynote speaker, Senior Librarian Sharon Moore. Deacon Hens closed out the ceremony, which was followed by refreshments provided by the Inmate Liaison Committee.
