Green Haven Correctional Facility Hosts Graduation Ceremony

Thirty-one Green Haven Correctional Facility inmates recently received their high school equivalency diplomas in a ceremony attended by the facility's executive team and faculty, as well as family and friends of the graduates. Guest speaker from Bard College, Amanda Vladick, and keynote speaker, DOCCS Director of Education Emily Bessette, addressed the audience to begin the ceremony. Each student then received their diploma and shook the hand of their teacher, Gail Neill, before all at once moving their tassels from left to right and tossing their caps in the air. The ceremony concluded with a luncheon and cake, which had been generously provided by the Inmate Liaison Committee.
