

Groveland Correctional Facility Hosts First-Ever Sports Banquet

Groveland Correctional Facility's Recreation Department recently held its first-ever sports banquet to honor the winners of all the facility's major sports leagues and tournaments from the past six months. The 60 inmates in attendance enjoyed a meal together, listened to music, and received certificates for their athletic achievements. Sponsored by the Inmate Liaison Committee and the Crusaders Organization, the facility now plans on hosting the event twice a year to commemorate the inmate's athletic participation.
