Groveland Correctional Facility Hosts Sporting Events for Inmate Athletes

Groveland Correctional Facility recently offered two exciting events for inmate athletes. At the end of October, Groveland hosted the Houghton College Men's Basketball team from nearby Alleghany County. 150 inmates attended the event to watch a select team from the inmate population compete against the college team. Although it was a close competition, Houghton came out on top 59-55. Groveland looks forward to the opportunity to host the Houghton team again in the future.

The following day, Groveland's Recreation Department hosted the facility's bi-annual sports banquet to honor athletic achievements from the previous months. The winners of all major sports leagues and tournaments were recognized and athletes received certificates for their individual achievements. In addition, the 60 inmates in attendance listened to music and ate food generously sponsored by the Inmate Liaison Committee.
