

Groveland Correctional Facility Hosts Local Softball Team

Groveland Correctional Facility recently hosted a volunteer softball team from the Rochester, New York area for a friendly competition with inmates from the facility's summer softball league. 12 all-stars from the Dorm Softball Summer League at Groveland faced off against the volunteer team in front of a crowd of staff and 150 inmates. In the end, home field advantage was too much for the visiting team and Groveland proved victorious by a score of 15-10.
