

Groveland Correctional Facility Hosts “Shake on the Lake” Theatre Group

Groveland Correctional Facility once again welcomed the theatre group, “Shake on the Lake” for a weeklong “Voices Uncaged” theatre workshop with inmates. The goal for this year’s workshop was to have the participants ultimately perform a play for an audience. After a week of hard work and dedication, 12 inmates performed “Shakespeare’s First Drafts” in front of an audience of 75 inmates and staff. The program was even filmed for an upcoming documentary about the theatre group’s work. The workshop and performance were well received and Groveland looks forward to continuing its great relationship with “Shake on the Lake” in the future.
