

## Corrections and Community Supervision

### Livingston Correctional Facility Hosts “Athletes In Action”

Livingston Correctional Facility recently hosted a collegiate baseball team, Athletes In Action (AIA), for a friendly softball competition with inmates. Facilitated by Livingston’s Recreation staff, the Athletes In Action split into two teams for two very competitive games against the inmates. After the games, both inmates and AIA players came together for an after-game prayer, thankful for the comradery the afternoon provided. This was AIA’s second time visiting Livingston and they look forward to the opportunity to play more games in the future.
