

Livingston and Groveland Correctional Facilities Welcome “Bach with Verse”

Staff and inmates at both Livingston and Groveland Correctional Facilities were recently treated to the unique music and storytelling of double bassist, Richard “Dobbs” Hartshorne, and his performance of “Bach with Verse”. The show included pieces by J.S. Bach, along with the telling of Dobbs’ own comedic stories put to music. The show attracted a large turnout at both facilities, with 226 inmates in attendance at Livingston and 300 inmates in attendance at Groveland, as well as several staff and members of both Executive Teams. After each show, those in attendance agreed that this was a special program and hope to welcome Mr. Hartshorne back again in the future.
