

Shawangunk Donates School Supplies to Local District

The Shawangunk Correctional Facility staff collected school supplies for the local children in need in the Wallkill Central School District as part of the 2017 Make a Difference Day. Executive, security, and civilian staff members collected the supplies and later dropped them off to the district.

Below is a photo of facility staff making the presentation to Wallkill Central School District Superintendent of Schools, Kevin Castle and Assistant Superintendent for Support Services Brian Devincenzi.
