Sing Sing Correctional Facility Inmates Host Back to School Giveaway

In preparation for the new school year, inmates at Sing Sing Correctional Facility held a Back to School giveaway in the visiting room during the last two weekends of August. The giveaway was organized by the JayCees organization, with financial help from all other inmate organizations at the facility. Any school-age child who visited during the giveaways was able to pick out a backpack, complete with age-appropriate school supplies, such as calculators, notebooks, pencils, pens, crayons, rulers, and folders. In all, about 150 backpacks were distributed throughout the two giveaway weekends.
