

Wende Correctional Facility Hosts 'Battle of the Books'

Wende Correctional Facility recently hosted its third annual 'Battle of the Books' competition thanks to some help from local libraries. Both the Buffalo and Erie County Public Libraries provided the teams with four books, along with questions based on the readings. For two and a half months, inmates and staff coaches prepared for the 'Battle' by studying the books and holding weekly meetings to discuss their findings. The two teams finally faced off in the facility's gym and both teams agreed, regardless of who won, this was a fun experience for all involved and the teams hope to host another 'Battle of the Books' soon.
