

Corrections and Community Supervision

Albion Inmates Knit Warm Clothing Items for Families in Need

Inmates at Albion Correctional Facility recently donated hand-made items to the Grigg Lewis Foundation in nearby Lockport. The items will be sent to families in need in Niagara County.

Inmates at Albion have two classes to choose from, knitting or crocheting. Utilizing the items donated to the classes they crafted the hats, scarfs, and sweaters by hand. The skills learned give the inmates the opportunity to share their talents and teach one another while building self-esteem and giving back to the community.
