

Gowanda Correctional Facility Gives Back in Many Ways this Holiday Season

The staff of Gowanda Correctional Facility recently spread holiday cheer by working together to benefit needy families in their local communities. The facility held basket raffles, decorated cookies, and created custom stockings to raise funds. In addition to the efforts staff had the opportunity to select specific children to shop for this season.

Meanwhile, the Make a Difference Committee spent two Saturday mornings visiting with the residents of Fiddler's Green Manor in Springville, NY and the Absolut Care Center in Eden, NY sharing baked goods and candy with the elderly residents.

In an effort to show their appreciation for not only the fundraising efforts but for the everyday work staff does, the Executive Team at Gowanda held a Staff Appreciation Day where attending staff was served lunch while those who could not make it were given donuts and coffee.
