### **Lakeview Shock Staff and Inmates Collect and Donate Used Eye Glasses**

As part of Make a Difference day, staff at the Lakeview Shock Incarceration Correctional Facility recently collected and donated used eye glasses.

A total of 53 pairs of glasses were collected and donated to the local Lions Club, who takes the eyewear and distributes them to people in need.

Inmates at Lakeview pitched in as well, constructing and painting 15 donation boxes for the glasses.
