Lakeview Shock Employees Carry Special Olympics Torch

The staff at Lakeview Shock Incarceration Correctional Facility once again carried the Special Olympics Torch as part of this year's Special Olympics Law Enforcement Torch Run.

Each year staff members participate in the event. On May 30th staff carried the torch from Dunkirk High School to the campus of Fredonia State College. It was the 52nd year of the run. Of all the law enforcement that participate, the staff at lakeview are the only ones who run in formation while singing in cadence.
