

DOCCS Staff Member's LEAN Achievement Opens Door for Efficiency

At the recent Office of LEAN Quarterly Champions and Deployment Managers meeting DOCCS' Senior Administrative Analyst Pamela Kulyniak, was recognized for successfully meeting all the requirements to become a Certified Empire Belt. This achievement means Ms. Kulyniak can lead a Project Team through all stages of a LEAN Project independent from Office of Lean review.

The certification provides the Department with flexibility and autonomy with regard to implementation of the LEAN Process Improvement Methodology which is designed to improve the quality, efficiency, and effectiveness of an organization's services and operations.
