

Livingston Correctional Facility hosted a guest speaker on Tuesday, April 24, 2018. Ken Colon, from Buffalo Urban League, presented his "If I Did It, You Can Too" speech to 211 inmates that were ready and willing to listen. Ken has a wonderful heartfelt message and one that relates to the inmate population on a very personal level. We look forward to having him return in the future.- Ken Colon was previously an inmate at Livingston who works for Buffalo Urban league in addition to having two of his own business.
