Sullivan Correctional Facility Inmates Donate to Local Organizations

The Inmate Liaison Committee (ILC) at Sullivan Correctional Facility recently raised a total of \$1,000 for donation to two community agencies. The ILC chose to donate \$500 to Safe Homes of Orange County, a local organization that provides food, shelter, and assistance to victims of domestic violence, as they were in critical need of donations. ILC members decided to donate the remaining \$500 to Sullivan County Federation for the Homeless, which assists those in dire need of assistance. Both organizations were extremely grateful for the donations, especially during the holiday season.
