

Groveland Correctional Facility Hosts Graduation and Programming Fair

Groveland Correctional Facility recently held a graduation event for inmates in academic and vocational programs. In all, 48 inmates earned their vocational completion certificates and 11 inmates earned their High School Equivalency diplomas. Congratulations on a job well done by both students and teachers!

In addition to educational programs, Groveland also offers several volunteer programs for inmates as well, and recently held their annual Programming Fair to showcase the variety of programs available. The 85 inmates in attendance were encouraged to visit each table to learn about every program offered at the facility and for the opportunity to learn a new skill or increase their productivity while in prison.
