Coalition for Women Prisoners' Re-entry Committee Publishes New Book for Women Returning Home from Incarceration

My Sister's Keeper, A Book for Women Returning Home From Prison or Jail, is a unique compilation of the words and experiences of women from New York in various stages of returning home from incarceration. *My Sister's Keeper* offers peer-to-peer guidance, strength and hope to help women in re-entry cope with challenges of reclaiming their lives. The CA's Women in Prison Project will distribute the guide to women incarcerated in New York's correctional facilities, as well as women in alternative to incarceration programs and transitional services programs throughout New York State.
