Further information about these requirements can be found on the website: https://ogs.ny.gov/acpl.

by the Offeror/bidder in accordance with New York State Finance Law §139-k was intentionally false or
intentionally incomplete. Upon such finding, NYSDOCCS may exercise its termination right by providing written
notification to the Offeror/bidder in accordance with the written notification terms of this contract.

DISPUTE RESOLUTION POLICY:

It is the policy of the NYSDOCCS and the Office of the State Comptroller to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to NYS bid solicitations or contract awards. NYSDOCCS and the Office of the State Comptroller encourage vendors to seek resolution of disputes through consultation with NYSDOCCS staff. All such matters will be accorded impartial and timely consideration. Interested parties may also file formal written disputes.

TAX LAW § 5-A:

TAX LAW § 5-A Amended April 26, 2006 (Appendix 2):

Tax Law § 5-a, as amended on April 26, 2006, requires certain contractors who are awarded state contracts for commodities and/or services valued at more than $100,000 (over the full term of the contract, excluding renewals) to certify to the Department of Taxation and Finance (DTF) that they are registered to collect New York State (NYS) and local sales and compensating use taxes. The law applies to contracts where the total amount of the contractor’s sales delivered into NYS exceed $300,000 for the four quarterly periods immediately preceding the quarterly period when the certification is made; and with respect to any affiliates and subcontractors whose sales delivered into NYS also exceed $300,000 in the same manner as noted above for the contractor.

This law imposes upon certain contractors the obligation to certify whether or not the contractor, its affiliates, and its subcontractors are required to register to collect state sales and compensating use tax. The contractors must certify to DTF that each affiliate and subcontractor exceeding the sales threshold is registered with DTF to collect such State and local sales and compensating use taxes. The law prohibits the Comptroller, or other approving agency, from approving a contract to a vendor who is not registered in accordance with the law.

There are two (2) Contractor certification forms, with instructions, required for this bid. Form ST-220-TD is to be submitted directly to DTF. Submission to DTF is a one-time occurrence. If you have already submitted this form to DTF for other bidding opportunities, you do not need to submit the form attached to this bid. If, however, any certification information changes, a new ST-220-TD must be filed with DTF. Form ST-220-CA must be completed and submitted with this bid. This form certifies to the procuring agency that the contractor has filed ST-220-TD with DTF in compliance with the law.

Bidders should complete and submit the certification forms within two business days of request (if the forms are not submitted to DTF and/or returned with bid). Bidders shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law, as failure to do so may render a bidder non-responsive and non-responsible.

Vendors may call DTF at 1-800-698-2909 for any and all questions relating to Tax Law § 5-a and relating to a company’s registration status with DTF. For additional information and frequently asked questions, please refer to the DTF web site: http://www.tax.ny.gov

TERMINATION FOR VIOLATION OF Revised Tax Law 5a:

NYSDOCCS reserves the right to terminate this contract in the event it is found that the certification filed by the Contractor in accordance with § 5-a of the Tax Law is not timely filed during the term of the contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, NYSDOCCS may exercise its termination right by providing written notification to the Contractor.

MERCURY-ADDED CONSUMER PRODUCTS:

Offerors are advised that effective January 1, 2005, Article 27, Title 21 of the Environmental Conservation Law bans the sale or distribution free of charge of fever thermometers containing mercury except by prescription written by a physician and bans the sale or distribution free of charge of elemental mercury other than for medical pre-encapsulated dental amalgam, research, or manufacturing purposes due to the hazardous waste concerns of mercury. The law further states that effective July 12, 2005, manufacturers are required to label mercury-added consumer products that are sold or offered for sale in New York State by a distributor or retailer. The label is intended to inform consumers of the presence of mercury in such products and of the proper disposal or recycling of mercury-added consumer products. Offerors are encouraged to contact the Department of Environmental Conservation, Bureau of Solid Waste, Reduction & Recycling at (518) 402-8705 or the Bureau of Hazardous Waste Regulation at 1-800-462-6553 for questions relating to the law. Offerors may also visit the Department’s web site for additional information: http://www.dec.ny.gov/chemical/8512.html

Pursuant to Section 163(9)(c) of the State Finance Law, any unsuccessful Bidder may request a debriefing regarding the reasons that the Bid submitted by the Bidder was not selected for award. Requests for a debriefing must be made within 15 calendar days of notification by DOCCS that the Bid submitted by the Bidder was not selected for award. CONTRACTOR REQUIREMENTS AND PROCEDURES FOR PARTICIPATION BY NEW YORK STATE CERTIFIED MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN

New York State Law: Pursuant to New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations DOCCS is required to promote opportunities for the maximum feasible participation of New York State-certified Minority and Women-owned Business Enterprises ("MWBEs") and the employment of minority group members and women in the performance of DOCCS contracts.

Business Participation Opportunities for MWBEs

For purposes of this solicitation, DOCCS hereby establishes an overall goal of 0 percent for MWBE participation, 0 percent for New York State-certified Minority-owned Business Enterprise ("MBE") participation and 0 percent for New York State-certified Women-owned Business Enterprise ("WBE") participation (based on the current availability of MBEs and WBEs). A contractor ("Contractor") on any contract resulting from this procurement ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors and suppliers in the performance of the Contract. To that end, by submitting a response to this IFB, the bidder agrees that DOCCS may withhold payment pursuant to any Contract awarded as a result of this IFB pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: https://ny.newnycontracts.com. For guidance on how DOCCS will evaluate a Contractor’s “good faith efforts,” refer to 5 NYCRR § 142.8.
GENERAL INFORMATION

The bidder understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal.

The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

In accordance with 5 NYCRR § 142.13, the bidder further acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in a Contract resulting from this solicitation, such finding constitutes a breach of contract and DOCCS may withhold payment as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder agrees to demonstrate its good faith efforts to achieve the applicable MWBE participation goals by submitting evidence thereof through the New York State Contract System (“NYSCS”), which can be viewed at https://ny.newnycontracts.com, provided, however, that a bidder may arrange to provide such evidence via a non-electronic method by contacting the designated contact(s) for this procurement. Additionally, a bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to an accepted MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS for review and approval.

   DOCCS will review the submitted MWBE Utilization Plan and advise the bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.

2. If a notice of deficiency is issued, the bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to DOCCS, a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the bidder and direct the bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

   DOCCS may disqualify a bidder as being non-responsive under the following circumstances:
   a) If a bidder fails to submit an MWBE Utilization Plan;
   b) If a bidder fails to submit a written remedy to a notice of deficiency;
   c) If a bidder fails to submit a request for waiver; or
   d) If DOCCS determines that the bidder has failed to document good faith efforts.

The successful bidder will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The successful bidder will be required to submit a quarterly M/WBE Contractor Compliance & Subcontractor Payment Report to DOCCS, by the 10th day following each end of quarter as applicable over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.
Equal Employment Opportunity Requirements

By submission of a bid or proposal in response to this solicitation, the bidder agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The bidder is required to ensure that it and any subcontractors awarded a subcontract for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the bidder, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The bidder will be required to submit a Minority and Women-owned Business Enterprise and Equal Employment Opportunity Policy Statement to DOCCS with its bid or proposal.

If awarded a Contract, bidder shall submit a Workforce Utilization Report and shall require each of its Subcontractors to submit a Workforce Utilization Report, in such format as shall be required by DOCCS on a quarterly basis as required during the term of the Contract.

Pursuant to Executive Order #162, contractors and subcontractors will also be required to report the gross wages paid to each of their employees for the work performed by such employees on the contract utilizing the Workforce Utilization Report on a quarterly basis.

Further, pursuant to Article 15 of the Executive Law (the “Human Rights Law”), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

USE OF SERVICE-DISABLED VETERAN-OWNED BUSINESS ENTERPRISES IN CONTRACT PERFORMANCE

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at https://online.ogs.ny.gov/SDVOB/search

For purposes of this procurement, the DOCCS hereby establishes an overall goal of 0 percent for SDVOB participation based on the current availability of qualified SDVOBs. Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.
GENERAL INFORMATION

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State’s infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor’s optimal performance under the contract, thereby fully benefiting the public-sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State’s economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

SEXUAL HARASSMENT PREVENTION

Pursuant to New York State Finance Law § 139-1, every bid made on or after January 1, 2019 to the State or any public department or agency thereof, where competitive bidding is required by statute, rule or regulation, for work or services performed or to be performed or goods sold or to be sold, and where otherwise required by such public department or agency, shall contain a certification that the bidder has and has implemented a written policy addressing sexual harassment prevention in the workplace and provides annual sexual harassment prevention training to all of its employees. Such policy shall, at a minimum, meet the requirements of New York State Labor Law § 201-g: https://www.nysenate.gov/legislation/laws/LAB/201-G

New York State Labor Law § 201-g provides requirements for such policy and training and directs the Department of Labor, in consultation with the Division of Human Rights, to create and publish a model sexual harassment prevention guidance document, sexual harassment prevention policy and sexual harassment prevention training program that employers may utilize to meet the requirements of New York State Labor Law § 201-g. The model sexual harassment prevention policy, model sexual harassment training materials, and further guidance for employers, can be found online at the following URL: https://www.ny.gov/combating-sexual-harassment-workplace/employers

Pursuant to New York State Finance Law § 139-1, any bid by a corporate bidder containing the certification required above shall be deemed to have been authorized by the board of directors of such bidder, and such authorization shall be deemed to include the signing and submission of such bid and the inclusion therein of such statement as the act and deed of the bidder.

If the Bidder cannot make the required certification, such Bidder shall so state and shall furnish with the bid a signed statement that sets forth in detail the reasons that the Bidder cannot make the certification. After review and consideration of such statement, DOCCS may reject the bid or may decide that there are sufficient reasons to accept the bid without such certification.

FREEDOM OF INFORMATION LAW / TRADE SECRETS

During the evaluation process, the content of each bid will be held in confidence and details of any bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exemption would be effective both during and after the evaluation process.

Should you feel your firm's bid contains any such trade secrets or other confidential or proprietary information, you must submit a request to exempt such information from disclosure. Such request must be in writing, must state the reasons why the information should be exempt from disclosure and must be provided at the time of submission of the subject information. Upon notification from DOCCS, Bidders/Contractors must provide a redacted version of the records they wish to be exempted from release.

Requests for exemption of the entire contents of a bid from disclosure have generally not been found to be meritorious and are discouraged. Kindly limit any requests for exemption of information from disclosure to bona fide trade secrets or specific information, the disclosure of which would cause a substantial injury to the competitive position of your firm.
NEW YORK STATE VENDOR FILE REGISTRATION

Prior to being awarded a contract pursuant to this Solicitation, the Bidder(s) and any designated authorized resellers who accept payment directly from the State, must be registered in the New York State Vendor File (Vendor File) administered by the Office of the State Comptroller (OSC). This is a central registry for all vendors who do business with New York State Agencies and the registration must be initiated by a State Agency. Following the initial registration, unique New York State ten-digit vendor identification numbers will be assigned to your company and to each of your authorized resellers (if any) for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage all vendor information in one central location for all transactions related to the State of New York. If Bidder is already registered in the New York State Vendor File, list the ten-digit vendor ID number on the Bid Signature Page. Authorized resellers already registered should list the ten-digit vendor ID number along with the authorized reseller information.

If the Bidder is not currently registered in the Vendor File and is recommended for award, DOCCS shall request completion of OSC Substitute W-9 Form. A fillable form with instructions can be found at the link below. In addition, if authorized resellers are to be used, an OSC Substitute W-9 form should be completed by each of the designated authorized resellers and submitted to the Office of General Services Business Services Center. The Office of General Services Business Services Center will initiate the vendor registration process for all Bidders recommended for Contract Award and their authorized resellers. Once the process is initiated, registrants will receive an email from OSC that includes the unique ten-digit vendor identification number assigned to the company and instructions on how to enroll in the online Vendor Self-Service application. For more information on the vendor file please visit the following website: http://www.osc.state.ny.us/vendor_management

NYS VENDOR RESPONSIBILITY QUESTIONNAIRE

DOCCS conducts a review of prospective contractors (“Bidders”) to provide reasonable assurances that the Bidder is responsive and responsible. A Questionnaire is used for non-construction contracts and is designed to provide information to assess a Bidder’s responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a bid, Bidder agrees to fully and accurately complete the “Questionnaire.” The Bidder acknowledges that the State’s execution of the Contract will be contingent upon the State’s determination that the Bidder is responsible, and that the State will be relying upon the Bidder’s responses to the Questionnaire when making its responsibility determination.

DOCCS recommends each Bidder file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Welcome Package for Vendors available at the Office of the State Comptroller’s (OSC) website, http://www.osc.state.ny.us/vendrep/documents/system/welcome_package.pdf or to enroll, go directly to the VendRep System online at https://portal.osc.state.ny.us

OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at: http://www.osc.state.ny.us/portal/contactbuss.htm.

Bidders opting to complete the paper questionnaire can access this form and associated definitions via the OSC website at: http://www.osc.state.ny.us/vendrep/forms_vendor.htm

The Contractor must remain a responsible vendor throughout the duration of the contract and, if at any time the Contractor is found to be not responsible or there is a question as to the vendor’s responsibility, any activities pursuant to the contract may be suspended. Finally, the contract may be terminated following a finding of non-responsibility.

To assist the State in determining the responsibility of the Bidder, the Bidder should complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the bid due date.

A Bidder’s Questionnaire cannot be viewed by DOCCS until the Bidder has certified the Questionnaire. It is recommended that all Bidders become familiar with all of the requirements of the Questionnaire in advance of the bid opening to provide sufficient time to complete the Questionnaire.

The Bidder agrees that if it is found by the State that the Bidder’s responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, DOCCS may terminate the Contract. In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.
GENERAL INFORMATION

The Contractor shall at all times during the Contract term remain responsible. The Contractor agrees, if requested by the Commissioner of DOCCS or his designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The DOCCS Commissioner or his designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the DOCCS Commissioner or his designee issues a written notice authorizing a resumption of performance under the Contract.

CONFLICT OF INTEREST:

Bidder must disclose any existing or contemplated relationship with any other person or entity, including relationships with any member, shareholders of 5% or more, parent, subsidiary, or affiliated firm, which would constitute an actual or potential conflict of interest or appearance of impropriety, relating to other clients/customers of the Respondent or former officers and employees of the Agencies and their Affiliates, in connection with your rendering services enumerated in this IFB. If a conflict does or might exist, please describe how your Staffing Firm would eliminate or prevent it. Indicate what procedures will be followed to detect, notify the Agencies of, and resolve any such conflicts.

Bidder must disclose whether it, or any of its members, shareholders of 5% or more, parents, affiliates, or subsidiaries, have been the subject of any investigation or disciplinary action by the New York State Commission on Public Integrity or its predecessor State entities (collectively, "Commission"), and if so, a brief description must be included indicating how any matter before the Commission was resolved or whether it remains unresolved.

Additionally, a bidder will be required to submit the Vendor Assurance of No Conflict of Interest or Detrimental Effect form located within this IFB as evidence of compliance with the foregoing.

PUBLIC OFFICERS LAW:

Contractors, consultants, vendors, and subcontractors may hire former State Agency or Authority employees. However, as a general rule and in accordance with New York Public Officers Law, former employees of the State Agency or Authority may neither appear nor practice before the State Agency or Authority, nor receive compensation for services rendered on a matter before the State Agency or Authority, for a period of two years following their separation from State Agency or Authority service. In addition, former State Agency or Authority employees are subject to a “lifetime bar” from appearing before the State Agency or Authority or receiving compensation for services regarding any transaction in which they personally participated or which was under their active consideration during their tenure with the State Agency or Authority.

ETHICS REQUIREMENTS:

The Contractor and its Subcontractors shall not engage any person who is, or has been at any time, in the employ of the State to perform services in violation of the provisions of the New York Public Officers Law, other laws applicable to the service of State employees, and the rules, regulations, opinions, guidelines or policies promulgated or issued by the New York State Joint Commission on Public Ethics, or its predecessors (collectively, the "Ethics Requirements"). The Contractor certifies that all of its employees and those of its Subcontractors who are former employees of the State and who are assigned to perform services under this Contract shall be assigned in accordance with all Ethics Requirements. During the Term, no person who is employed by the Contractor or its Subcontractors and who is disqualified from providing services under this Contract pursuant to any Ethics Requirements may share in any net revenues of the Contractor or its Subcontractors derived from this Contract. The Contractor shall identify and provide the State with notice of those employees of the Contractor and its Subcontractors who are former employees of the State that will be assigned to perform services under this Contract, and make sure that such employees comply with all applicable laws and prohibitions. The State may request that the Contractor provide it with whatever

information the State deems appropriate about each such person's engagement, work cooperatively with the State to solicit advice from the New York State Joint Commission on Public Ethics, and, if deemed appropriate by the State, instruct any such person to seek the opinion of the New York State Joint Commission on Public Ethics. The State shall have the right to withdraw or withhold approval of any Subcontractor if utilizing such Subcontractor for any work performed hereunder would be in conflict with any of the Ethics Requirements. The State shall have the right to terminate this Contract at any time if any work performed hereunder is in conflict with any of the Ethics Requirements.

SUBCONTRACTING:

The Contractor agrees not to subcontract any of its services, unless as indicated in its bid, without the prior written approval of the DOCCS. Approval shall not be unreasonably withheld upon receipt of written request to subcontract.

The Contractor may arrange for a portion/s of its responsibilities to be subcontracted to qualified, responsible subcontractors, subject to approval of the DOCCS. If the Contractor determines to subcontract a portion of the services, the subcontractors must be clearly identified and the nature and extent of its involvement in and/or proposed performance must be fully explained by the Contractor to the DOCCS. As part of this explanation, the subcontractor must submit to the DOCCS a completed Vendor Assurance of No Conflict of Interest or Detrimental Effect form, as required by the Contractor prior to execution of a contract.

The Contractor retains ultimate responsibility for all services performed under a contract. All subcontracts shall be in writing and shall contain provisions, which are functionally identical to, and consistent with, the provisions of this IFB. Unless waived in writing by DOCCS, all subcontracts between the Contractor and subcontractors shall expressly name DOCCS as the sole intended third party beneficiary of such subcontract. DOCCS reserves the right to review and approve or reject any subcontract, as well as any amendment to said subcontract(s), and this right shall not make DOCCS a party to any subcontract or create any right, claim, or interest in the subcontractor or proposed subcontractor against DOCCS.

DOCCS reserves the right, at any time during the contract term to verify that the written subcontract between the Contractor and subcontractors is in compliance with all of the provisions of this Section and any subcontract provisions contained in this IFB.

The Contractor shall give DOCCS immediate notice in writing of the initiation of any legal action or suit which relates in any way to a subcontract with a subcontractor or which may affect the performance of the Contractor's duties under a contract. Any subcontract shall not relieve the Contractor in any way of any responsibility, duty and/or obligation of a contract.

If at any time during performance under the contract the total compensation to a subcontractor exceeds or is expected to exceed $100,000, that subcontractor shall be required to submit and certify a Vendor Responsibility Questionnaire.

MINOR DEVIATIONS (s)/MINOR TECHNICALITY:

DOCCS reserves the right to have the flexibility to consider bids with minor deviations or technicalities and to waive minor deviations or technicalities that may be consistent with the intent and scope of the solicitation. The flexibility may permit a reasonable outcome in cases where the results of a fair, competitive process are clear but the award of a contract is threatened due to a minor technicality or a minor deviation.

“OR EQUAL”:

The State reserves the right to determine if a product/service is 'equal' to bid specifications. Bids with minor deviations or technicalities may be waived if consistent with the intent and scope of the solicitation. The flexibility may permit a reasonable outcome in cases where the results of a fair, competitive process are clear but the award of a contract is threatened due to a minor technicality or a minor deviation.

Purchase orders are effective and binding upon the CONTRACTOR when placed in the mail and addressed to the CONTRACTOR at the address shown herein. Product is required as soon as possible and guaranteed delivery may be considered in making award. Delivery shall be made in accordance with instructions on Purchase Order from each agency. If there is a discrepancy between the purchase order and what is listed on the contract, it is the contractor’s obligation to seek clarification from the ordering agency.

Billing invoices submitted to the Agency must contain all information and supporting documentation required by the Contract, the Agency and the State Comptroller. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller’s procedures to authorize electronic payments. Authorization forms are available at the State Comptroller’s website at www.osc.state.ny.us/epay/index.htm, by email at epunit@osc.state.ny.us, or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the State Comptroller’s electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.
GENERAL INFORMATION

BILLING: Invoices should be sent to Franklin Correctional Facility, 62 Bare Hill Road, POB 10 Malone, NY 12953 and/or Bare Hill Correctional Facility, 181 Brand Road, Caller Box 20, Malone, NY 12953, Attention: Accounts Payable. Payment will be based on an invoice used in the supplier’s normal course of business. Invoices must contain the Contract No., description of materials, quantity, unit and price per unit as well as Federal Identification Number and New York State Vendor ID.

INTEREST: Interest on late payment is governed by State Finance Law, Section 179-M.

ESTIMATED/SPECIFIC QUANTITIES: The quantities or dollar values listed are estimated only.

CONTRACT PERIOD AND RENEWALS: It is the intention of the State to enter into a contract for a period of five (5) years as stated on the Invitation for Bids except that the commencement and termination dates appearing on the Invitation for Bids may be adjusted forward unilaterally by the State for any resulting contract for up to two calendar months, by indicating such change on the Contract Award Notification. The contract dates may be adjusted forward beyond two months only with the approval of the successful bidder. If, however, the bidder is not willing to accept an adjustment of the contract dates beyond the two-month period, the State reserves the right to proceed with an award to another bidder.

REJECTION: The State reserves the right to reject an obviously unbalanced bid or to make “NO AWARD” on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of the State. Options contained in this paragraph shall also be at the State’s sole discretion.

PRICE ADJUSTMENT: Price shall remain firm for the first year. Thirty days prior to each anniversary date of the award, the Contractor may request a rate change (increase or decrease) based upon fluctuations in the latest published copy of the Consumer Price Index for all urban consumers as published by the U.S. Department of Labor, Bureau of Labor Statistics, Washington, D.C. 20212. (Specifically—Northeast Urban, Not Seasonally Adjusted, Services, Series ID: CUUR0100SAS). The index is also available through the Internet at the US Bureau of Labor Statistics web site at www.bls.gov.

If during the time the Price Adjustment is requested, and the above series ID is discontinued or not available, the State reserves the right to implement another applicable index.

Price adjustments using the CPI involve changing the base payment by the percent change in the level of the CPI between the reference period and a subsequent time period. This is calculated by first determining the index point change between the two periods and then the percent change. The price adjustment shall be calculated as follows. Take the CPI for the 3rd month prior to the month of the start date of the awarded contract and subtract this figure from the CPI value for the 3rd month prior to the anniversary date of the awarded contract. (e.g.: If contract begins in June, use the March CPI) That sum is then divided by the CPI value for the original 3rd month prior to start date and this result is then multiplied by 100 to equal the percent change which is the price adjustment value. This percentage of increase or decrease shall be applied to the next contract year, effective on the anniversary date of the contract. The following example illustrates the computation of percent change:

The Contractor has the sole responsibility to submit invoices at the adjusted rate on the applicable anniversary date and shall provide a copy of the index and other supporting documentation necessary to support the increase or decrease to the Authorized User, as appropriate. Should the Contractor fail to submit adjusted invoices and/or supporting documentation within three (3) months after the applicable anniversary date, the Contractor shall be deemed to have waived its right to any increase in price for that year, but the State shall not be barred from making the appropriate adjustment in the case of a decrease determined in accordance with the above methodology.

CANCELLATION FOR CAUSE AND CONVENIENCE:

This agreement may be terminated by mutual agreement upon thirty (30) days written notice. Also, DOCCS may terminate the agreement immediately for cause, upon written notice, if the contractor fails to comply with the terms and conditions of this agreement and/or with any laws, rules, regulations, policies or procedures of the State of New York affecting this agreement.

The State of New York retains the right to cancel this contract, in whole or in part without reason provided that the Contractor is given at least thirty (30) days’ notice of its intent to cancel. This provision should not be understood as waiving the State’s right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. Any such cancellation shall have no effect on existing Agency agreements, which are subject to the same 30-day discretionary cancellation or cancellation for cause by the respective user Agencies.

4. All material removed from the site shall be disposed of at a DEC-approved landfill or other DEC-authorized disposal agent. The contractor will be required to comply with all local and state regulations governing refuse removal, transport, and disposal.

5. **Franklin Correctional Facility** will require one (1) each self-contained 40-cubic-yard roll-off container with push-out ram and one (1) each 40-cubic-yard dumpster with tarpaulin cover. Equipment fees are to be charged to the facility on a monthly basis.

Documentation of the charges to the contractor will and must be provided to the Franklin and/or Bare Hill Correctional Facility clearly indicating weights and fees paid to the landfill. The contractor may submit invoices to the facility at the end of each month for tipping fees and other charges incurred the previous month.
BID SPECIFICATIONS
All bid specifications are applicable to both Franklin and Bare Hill Correctional Facilities, unless noted.

6. All refuse removal shall be done in an efficient and sanitary manner. All leaking or spilling of garbage by the contractor during removal shall be immediately cleaned up to prevent vermin infestation, unsanitary conditions, etc. The agency will not provide any assistance to the contractor in cleaning leaks and spills. Continued violation of the above will be basis for contract abrogation and back charges for clean-up performed by others.

7. At the start of the contract, the contractor shall furnish containers which have casters, top covers, and be equal to those manufactured by the Heil Company of Milwaukee, Wisconsin and be new or in an equivalent acceptable condition. The contractor shall provide and maintain equipment in good working condition and in good appearance, where indicated in the schedule or as required, agency-approved and enclosed-type, fully sanitary, and water-tight containers. The containers shall remain at the designated locations twenty-four (24) hours every day. They shall be located immediately adjacent to the buildings or on loading docks as directed by the agency and in areas convenient for use. The size or number of the containers required shall be determined by the volume of the rubbish generated and the pick-up frequency. They may be changed by the contractor with agency's approval and/or shall be changed by the contractor at the request of the agency to the extent previously stipulated. The agency will not assume responsibility for the containers while on the agency grounds.

8. All containers furnished by the contractor must be washed and disinfected on a monthly basis by the contractor. The containers shall be kept in good repair by the contractor or in the event that the agency deems any container dangerous for use, either because of its damaged condition or because of the type of container used, the contractor agrees to comply with the wishes of the agency and either repair or replace the container(s) in question within one (1) week from the date of notification by the agency or be penalized by withholding payments.

The agency shall provide accessibility to pick-up points during the designated hours and will be responsible for snow and ice control and road maintenance. The agency shall be responsible for delivering the garbage to the pick-up points prior to the scheduled removal.

Contractor shall submit with the bid a list of equipment which shall be made available for the contract. Dump trucks may be allowed for bulk pickup and special materials with permission of the Plant Superintendent. Contractor shall specify with bid and attached descriptive literature the type and description of containers to be used. The agency reserves the right to direct the movement of containers to other than specified areas as required at no extra charge, not to exceed grand total of yardage of containers specified.

10. A CONTRACTOR’S BID WILL NOT BE ACCEPTED UNLESS THE CONTRACTOR MAKES AN ON-SITE INSPECTION OF THE PICKUP AREAS AND IS THUS FAMILIARIZED WITH THE COMPLEXITIES OF OUR RUBBISH COLLECTION AND REMOVAL NEEDS. A prospective bidder will report to the agency and a record shall be made of his visit. An employee will be provided to guide the prospective bidder to the pertinent areas.

Pickup frequencies may also be modified to meet the requirements of the agency. The successful bidder must furnish containers which have casters, top covers, and be equal to those manufactured by the Heil Company of Milwaukee, Wisconsin, and be new or in an equivalent acceptable condition. The containers furnished must be capable of holding the maximum amount of refuse/garbage collected at each pickup point. The approximate number of containers and location of each is noted herein, but both are subject to increase or decrease as required during the contract period by the agency by per cent without any additional charge in the monthly payment rates.

11. It is further agreed that all valuable agency property found in the refuse that is removed from the agency shall be returned promptly.
BID SPECIFICATIONS

All bid specifications are applicable to both Franklin and Bare Hill Correctional Facilities, unless noted.

If other than regular refuse-type vehicles are used at any time, a covering must be fastened over the load so as to prevent any material from falling on streets and ground. Trucks must not leak.

14. Agency shall have the right to inspect contractor’s equipment at any time to insure it is adequate for the job. If contractor fails to supply adequate equipment, contract will be subject to cancellation. Upon demand, proof of all requirements must be submitted. Contractor will be required to have sufficient back-up equipment to perform this contract under any adverse or emergency conditions, and such equipment must be listed on equipment list.

15. Vehicles must be operated in a careful and prudent manner regarding safety and in strict compliance with agency regulations. Vehicles will be driven on paved road only, unless otherwise specified. Agency will avoid idling truck to the greatest extent possible while in an enclosed area to prevent discharges of carbon monoxide and other pollutants.

16. Contractor is required to remove any refuse, even in adverse conditions. If conditions warrant, trucks must have skid chains. If compactors or roll-offs are frozen and cannot be emptied immediately, substitute equipment, approved by the agency, will be provided.

17. If mechanical containers break down and cannot be fixed within the working day, substitute equipment approved by the agency will be brought immediately. When a truck breaks down and contractor is unable to complete route, a back-up truck must be brought in to assure daily service in accordance with the contract, or penalties will be imposed.

18. Billing shall be done on vendor invoice on a monthly basis at the monthly bid price. The facility (Franklin and/or Bare Hill Correctional Facility) will honor and remit payment for invoices detailing tipping fees paid, monthly fees, and hauler fees per pull. Copies of landfill weight slips shall accompany invoices.

STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licensor, licensee, lessor, lessee or any other party):

1. EXECUTORY CLAUSE. In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

2. NON-ASSIGNMENT CLAUSE. In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State’s previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller’s approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor’s business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State’s prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

3. COMPTROLLER’S APPROVAL. In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds $50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds $10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller’s approval of contracts let by the Office of General Services is required when such contracts exceed $85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

4. WORKERS’ COMPENSATION BENEFITS. In accordance with Section 142 of the State Finance Law, this contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers’ Compensation Law.

5. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of $50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

6. WAGE AND HOURS PROVISIONS. If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor’s employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the State of any State approved sums due and owing for work done upon the project.
7. **NON-COLLUSIVE BIDDING CERTIFICATION.** In accordance with Section 139-d of the State Finance Law, if this contract was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the State a non-collusive bidding certification on Contractor's behalf.

8. **INTERNATIONAL BOYCOTT PROHIBITION.** In accordance with Section 220-f of the Labor Law and Section 139-h of the State Finance Law, if this contract exceeds $5,000, the Contractor agrees, as a material condition of the contract, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the contract's execution, such contract, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify the State Comptroller within five (5) business days of such conviction, determination or disposition of appeal (2NYCRR 105.4).

9. **SET-OFF RIGHTS.** The State shall have all of its common law, equitable and statutory rights of set-off. These rights shall include, but not be limited to, the State's option to withhold for the purposes of set-off any moneys due to the Contractor under this contract up to any amounts due and owing to the State with regard to this contract, any other contract with any State department or agency, including any contract for a term commencing prior to the term of this contract, plus any amounts due and owing to the State for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto. The State shall exercise its set-off rights in accordance with normal State practices including, in cases of set-off pursuant to an audit, the finalization of such audit by the State agency, its representatives, or the State Comptroller.

10. **RECORDS.** The Contractor shall establish and maintain complete and accurate books, records, documents, accounts and other evidence directly pertinent to performance under this contract (hereinafter, collectively, "the Records"). The Records must be kept for the balance of the calendar year in which they were made and for six (6) additional years thereafter. The State Comptroller, the Attorney General and any other person or entity authorized to conduct an examination, as well as the agency or agencies involved in this contract, shall have access to the Records during normal business hours at an office of the Contractor within the State of New York or, if no such office is available, at a mutually agreeable and reasonable venue within the State, for the term specified above for the purposes of inspection, auditing and copying. The State shall take reasonable steps to protect from public disclosure any of the Records which are exempt from disclosure under Section 87 of the Public Officers Law (the "Statute") provided that: (i) the Contractor shall timely inform an appropriate State official, in writing, that said records should not be disclosed; and (ii) said records shall be sufficiently identified; and (iii) designation of said records as exempt under the Statute is reasonable. Nothing contained herein shall diminish, or in any way adversely affect, the State's right to discovery in any pending or future litigation.

11. **IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.** (a) Identification Number(s). Every invoice or New York State Claim for Payment submitted to a New York State agency by a payee, for payment for the sale of goods or services or for transactions (e.g., leases, easements, licenses, etc.) related to real or personal property must include the payee's identification number. The number is any or all of the following: (i) the payee’s Federal employer identification number, (ii) the payee’s Federal social security number, and/or (iii) the payee’s Vendor Identification Number assigned by the Statewide Financial System. Failure to include such number or numbers may delay payment. Where the payee does not have such number or numbers, the payee, on its invoice or Claim for Payment, must give the reason or reasons why the payee does not have such number or numbers.

(b) Privacy Notification. (1) The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by the seller or lessor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law. (2) The personal information is requested by the purchasing unit of the agency contracting to purchase the goods or services or lease the real or personal property covered by this contract or lease. The information is maintained in the Statewide Financial System by the Vendor Management Unit within the Bureau of State Expenditures, Office of the State Comptroller, 110 State Street, Albany, New York 12236.

12. **EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITIES AND WOMEN.** In accordance with Section 312 of the Executive Law and 5 NYCRR 143, if this contract is: (i) a written agreement or purchase order instrument, providing for a total expenditure in excess of $25,000.00, whereby a contracting agency is committed to expend or does expend funds in return for labor, services, supplies, equipment, materials or any combination of the foregoing, to be performed...
for, or rendered or furnished to the contracting agency; or (ii) a written agreement in excess of $100,000.00 whereby a contracting agency is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon; or (iii) a written agreement in excess of $100,000.00 whereby the owner of a State assisted housing project is committed to expend or does expend funds for the acquisition, construction, demolition, replacement, major repair or renovation of real property and improvements thereon for such project, then the following shall apply and by signing this agreement the Contractor certifies and affirms that it is Contractor’s equal employment opportunity policy that:

(a) The Contractor will not discriminate against employees or applicants for employment because of race, creed, color, national origin, sex, age, disability or marital status, shall make and document its conscientious and active efforts to employ and utilize minority group members and women in its work force on State contracts and will undertake or continue existing programs of affirmative action to ensure that minority group members and women are afforded equal employment opportunities without discrimination. Affirmative action shall mean recruitment, employment, job assignment, promotion, upgradings, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation;

(b) at the request of the contracting agency, the Contractor shall request each employment agency, labor union, or authorized representative of workers with which it has a collective bargaining or other agreement or understanding, to furnish a written statement that such employment agency, labor union or representative will not discriminate on the basis of race, creed, color, national origin, sex, age, disability or marital status and that such union or representative will affirmatively cooperate in the implementation of the Contractor’s obligations herein; and

(c) the Contractor shall state, in all solicitations or advertisements for employees, that, in the performance of the State contract, all qualified applicants will be afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status.

Contractor will include the provisions of "a", "b", and "c" above, in every subcontract over $25,000.00 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work") except where the Work is for the beneficial use of the Contractor. Section 312 does not apply to: (i) work, goods or services unrelated to this contract; or (ii) employment outside New York State. The State shall consider compliance by a contractor or subcontractor with the requirements of any federal law concerning equal employment opportunity which effectuates the purpose of this section. The contracting agency shall determine whether the imposition of the requirements of the provisions hereof duplicate or conflict with any such federal law and if such duplication or conflict exists, the contracting agency shall waive the applicability of Section 312 to the extent of such duplication or conflict. Contractor will comply with all duly promulgated and lawful rules and regulations of the Department of Economic Development’s Division of Minority and Women's Business Development pertaining hereto.

13. CONFLICTING TERMS. In the event of a conflict between the terms of the contract (including any and all attachments thereto and amendments thereof) and the terms of this Appendix A, the terms of this Appendix A shall control.

14. GOVERNING LAW. This contract shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

15. LATE PAYMENT. Timeliness of payment and any interest to be paid to Contractor for late payment shall be governed by Article 11-A of the State Finance Law to the extent required by law.

16. NO ARBITRATION. Disputes involving this contract, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily authorized), but must, instead, be heard in a court of competent jurisdiction of the State of New York.

17. SERVICE OF PROCESS. In addition to the methods of service allowed by the State Civil Practice Law & Rules ("CPLR"), Contractor hereby consents to service of process upon it by registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon the State's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify the State, in writing, of each and every change of address to which service of process can be made. Service by the State to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

18. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this contract award will be in accordance with, but not limited to, the specifications and provisions of Section 165 of the State Finance Law, (Use of Tropical Hardwoods) which prohibits purchase and use of tropical hardwoods, unless specifically exempted, by the State or any governmental agency or political subdivision or public benefit corporation. Qualification for an exemption under this law will be the responsibility of the contractor to establish to meet with the approval of the State.

In addition, when any portion of this contract involving the use of woods, whether supply or installation, is to be performed by any subcontractor, the prime Contractor will indicate and certify in the submitted bid proposal that the subcontractor has been informed and is in compliance with specifications and
provisions regarding use of tropical hardwoods as detailed in §165 State Finance Law. Any such use must meet with the approval of the State; otherwise, the bid may not be considered responsive. Under bidder certifications, proof of qualification for exemption will be the responsibility of the Contractor to meet with the approval of the State.

19. MACBRIEDE FAIR EMPLOYMENT PRINCIPLES. In accordance with the MacBride Fair Employment Principles (Chapter 807 of the Laws of 1992), the Contractor hereby stipulates that the Contractor either (a) has no business operations in Northern Ireland, or (b) shall take lawful steps in good faith to conduct any business operations in Northern Ireland in accordance with the MacBride Fair Employment Principles (as described in Section 165 of the New York State Finance Law), and shall permit independent monitoring of compliance with such principles.

(d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this contract and agrees to cooperate with the State in these efforts.

21. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

24. PROCUREMENT LOBBYING. To the extent this agreement is a “procurement contract” as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the contractor certifies and affirms that all disclosures made in accordance with State Finance Law
Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the State may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

25. CERTIFICATION OF REGISTRATION TO COLLECT SALES AND COMPENSATING USE TAX BY CERTAIN STATE CONTRACTORS, AFFILIATES AND SUBCONTRACTORS.

To the extent this agreement is a contract as defined by Tax Law Section 5-a, if the contractor fails to make the certification required by Tax Law Section 5-a or if during the term of the contract, the Department of Taxation and Finance or the covered agency, as defined by Tax Law 5-a, discovers that the certification, made under penalty of perjury, is false, then such failure to file or false certification shall be a material breach of this contract and this contract may be terminated, by providing written notification to the Contractor in accordance with the terms of the agreement, if the covered agency determines that such action is in the best interest of the State.

26. IRAN DIVESTMENT ACT.

By entering into this Agreement, Contractor certifies in accordance with State Finance Law §165-a that it is not on the “Entities Determined to be Non-Responsive Bidders/Offerers pursuant to the New York State Iran Divestment Act of 2012” (“Prohibited Entities List”) posted at:

Contractor agrees that should it seek to renew or extend this Contract, it must provide the same certification at the time the Contract is renewed or extended. Contractor also agrees that any proposed Assignee of this Contract will be required to certify that it is not on the Prohibited Entities List before the contract assignment will be approved by the State.

During the term of the Contract, should the state agency receive information that a person (as defined in State Finance Law §165-a) is in violation of the above-referenced certifications, the state agency will review such information and offer the person an opportunity to respond. If the person fails to demonstrate that it has ceased its engagement in the investment activity which is in violation of the Act within 90 days after the determination of such violation, then the state agency shall take such action as may be appropriate and provided for by law, rule, or contract, including, but not limited to, imposing sanctions, seeking compliance, recovering damages, or declaring the Contractor in default.

The state agency reserves the right to reject any bid, request for assignment, renewal or extension for an entity that appears on the Prohibited Entities List prior to the award, assignment, renewal or extension of a contract, and to pursue a responsibility review with respect to any entity that is awarded a contract and appears on the Prohibited Entities list after contract award.
APPENDIX C

I. General Provisions

A. The Department of Corrections and Community Supervision (hereinafter referred to as “DOCCS”) is required to implement the provisions of New York State Executive Law Article 15-A and Parts 140-145 of Title 5 of the New York Codes, Rules and Regulations (“NYCRR”) for all State contracts, as defined therein, with a value (1) in excess of $25,000 for labor, services, equipment, materials, or any combination of the foregoing or (2) in excess of $100,000 for real property renovations and construction.

B. The contractor to the subject contract (the “Contractor” and the “Contract,” respectively) agrees, in addition to any other nondiscrimination provision of the Contract and at no additional cost to “DOCCS, to fully comply and cooperate with DOCCS in the implementation of New York State Executive Law Article 15-A and the regulations promulgated thereunder. These requirements include equal employment opportunities for minority group members and women (“EEO”) and contracting opportunities for New York State-certified minority and women-owned business enterprises (“MWBEs”). The Contractor’s demonstration of “good faith efforts” pursuant to 5 NYCRR § 142.8 shall be a part of these requirements. These provisions shall be deemed supplementary to, and not in lieu of, the nondiscrimination provisions required by New York State Executive Law Article 15 (the “Human Rights Law”) and other applicable federal, state, and local laws.

C. II. Contract Goals

A. For purposes of this Contract, DOCCS hereby establishes an overall goal of 0 percent for MWBE participation, 0 percent for New York State-certified minority-owned business enterprise (“MBE”) participation and 0 percent for New York State-certified women-owned business enterprise (“WBE”) participation (collectively, “MWBE Contract Goals”) based on the current availability of MBEs and WBEs.

The Contractor understands that only sums paid to MWBEs for the performance of a commercially useful function, as that term is defined in 5 NYCRR § 140.1, may be applied towards the achievement of the applicable MWBE participation goal. The portion of a contract with an MWBE serving as a broker that shall be deemed to represent the commercially useful function performed by the MWBE shall be 25 percent of the total value of the contract.

2. Any responses by MWBEs to the Contractor’s outreach;
3. Copies of advertisements for participation by MWBEs in appropriate general circulation, trade, and minority or women-oriented publications;
4. The dates of attendance at any pre-bid, pre-award, or other meetings, if any, scheduled by DOCCS with MWBEs; and,

For these purposes, EEO shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, or termination and rates of pay or other forms of compensation.
2. The Contractor shall submit an EEO policy statement to DOCCS within seventy-two (72) hours after the date of the notice by DOCCS to award the Contract to the Contractor.
3. If the Contractor, or any of its subcontractors, does not have an existing EEO policy statement, DOCCS may require the Contractor or subcontractor to adopt a model statement (see Form – Equal Employment Opportunity Policy Statement).

4. The Contractor’s EEO policy statement shall include the following language:
APPENDIX C

To ensure compliance with this Section, the Contractor shall submit a staffing plan to document the composition of the proposed workforce to be utilized in the performance of the Contract by the specified categories listed, including ethnic background, gender, and Federal occupational categories. The Contractor shall complete the staffing plan form and submit it as part of their bid or proposal or within a reasonable time, as directed by DOCCS.

D. Form EEO-1 - Workforce Utilization Report

B. The Contractor agrees to adhere to such MWBE Utilization Plan in the performance of the Contract.

C. The Contractor further agrees that failure to submit and/or adhere to such MWBE Utilization Plan shall constitute a material breach of the terms of the Contract. Upon the occurrence of such a material breach, DOCCS shall be entitled to any remedy provided herein, including but not limited to, a finding that the Contractor is non-responsive.

V. Waivers

A. If the Contractor, after making good faith efforts, is unable to achieve the MWBE Contract Goals stated herein, the Contractor may submit a request for a waiver through the NYSCS, or a non-electronic method provided by DOCCS. Such waiver request must be supported by evidence of the Contractor’s good faith efforts to achieve the maximum feasible MWBE participation towards the applicable MWBE Contract Goals. If the documentation included with the waiver request is complete, DOCCS shall evaluate the request and issue a written notice of approval or denial within twenty (20) business days of receipt.

B. VI. Quarterly/Monthly MWBE Contractor Compliance Report

The Contractor is required to submit a quarterly (non-construction) or monthly (construction) MWBE Contractor Compliance Report through the NYSCS, provided, however, that the Contractor may arrange to provide such report via a non-electronic method to DOCCS by the 10th day following the end of each quarter or month as applicable during the term of the Contract.

VII. Liquidated Damages - MWBE Participation

A. Where DOCCS determines that the Contractor is not in compliance with the requirements of this Appendix and the Contractor refuses to comply with such requirements, or if the Contractor is found to have willfully and intentionally failed to comply with the MWBE participation goals, the Contractor shall be obligated to pay to DOCCS liquidated damages.

B. Such liquidated damages shall be calculated as an amount equaling the difference between:
   1. All sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and
   2. All sums actually paid to MWBEs for work performed or materials supplied under the Contract.

C. In the event a determination has been made which requires the payment of liquidated damages and such identified sums have not been withheld by DOCCS, the Contractor shall pay such liquidated damages to DOCCS within sixty (60) days after they are assessed. Provided, however, that if the Contractor has filed a complaint with the Director of the Division of Minority and Women’s Business Development pursuant to 5 NYCRR § 142.12, liquidated damages shall be payable only in the event of a determination adverse to the Contractor following the complaint process.

5. Document and maintain records of bid solicitation, including those to M/WBEs and the results thereof. The Contractor will also maintain records of actions that its subcontractors have taken toward meeting M/WBE contract participation goals.
