

**Gowanda Correctional Facility
Visiting Room Overcrowding Policy**

Overcrowding – In the event that space considerations require termination of visits, the following procedure will be followed:

- 1) Those visitors who arrived first will be asked to leave first when the visitor(s) have traveled to the facility from within a 150 mile radius.
- 2) If overcrowding persists every effort is made to allow visitors at least a two hour visit, although there is no guarantee for visitors arriving late in the day.
