

Livingston Correctional Facility Visiting Schedule

Livingston Correctional Facility utilizes a DIN rotation visiting schedule for weekends. Weekend visits shall use the odd/even visiting schedule. Inmates whose institutional number ends in an even digit may only receive visits on Saturdays and Sundays that end in an even digit. Inmates whose institutional number ends in an odd digit may only receive visits on Saturdays or Sundays that end in an odd digit.

1. The odd/even schedule will not apply in the following circumstances.
 - a. on the legal holidays on which the Visiting Room is open,
 - b. for special events, and
 - c. for inmates housed in the Special Housing Unit.
2. If a month ends on a Saturday with an odd digit date, the following day (Sunday the first of the month) will be treated as an even day.
