

**American Correctional Association: NYS Accreditation
March 4, 2014**

Each correctional facility and other components of DOCCS continue to be nationally accredited tri-annually by the American Correctional Association (ACA). Eastern Correctional Facility in Napanoch was the first in 1982 and thus far for 2014, six correctional facilities have successfully completed their re-accreditation audit. The re-accreditation process confirms that the operations, administration and management meets or exceeds hundreds of nationally-accepted standards. Please join together in congratulating the staff at Clinton (Clinton County), Franklin (Franklin County), Attica (Wyoming County), Sullivan (Sullivan County), Woodbourne (Sullivan County) and Auburn (Cayuga County) for a job well done! Stay tuned for more facilities in the coming months.
