

**Crime Victims' Brick Memorial  
November 6, 2014**

The Crime Victims' Brick Memorial represents an extraordinary example of the essence of the many crime victims, their families, service providers, New York State agencies including DOCCS, and people working together to achieve a common vision. It stands today as a testament to the indomitable spirit that transcends and empowers. However, in the 18 years it has existed, the volume of victims being remembered has caused us to outgrow the space. View the site at [www.nycrimevictimstaskforce.org](http://www.nycrimevictimstaskforce.org).

By partnering with the NYS Office of General Services to reconfigure the site, the Memorial will stand for victim's decades into the future. There will be a Brick Dedication Ceremony on Friday, April 24, 2015 from 1:00 pm to 3:00 pm. If you are unable to attend, photos can be viewed on the website ([www.nycrimevictimstaskforce.org](http://www.nycrimevictimstaskforce.org)).

Additional information and applications to have bricks added to the Brick Memorial can be obtained by contacting:
