Greene Inmate Program Associate Committee Sponsors Food Drive December 31, 2014

At their most recent meeting, the Inmate Program Associate (IPA) Committee at Greene Correctional Facility decided to hold a holiday food drive to provide for families in need of a nutritious holiday meal. The event was organized by Transitional Services.

As a result, on December 15th over 350 pounds of food and a monetary donation were collected from the inmates at Greene Correctional Facility and DOCCS employee Leonardo's motorcycle club. The donations were then delivered to "The Pantry" in Ravena, New York, which services residents of Ravena, Selkirk, and Coeymans.

Pantry Director Hoffman expressed her deepest gratitude to the Greene Correctional Facility population stating that over 150 families would benefit from the generosity of our inmates. Special Thanks to Deacon Young, Recreation Supervisor Reid, Stores Clerk II Leonardo, Offender Rehabilitation Counselor TenEyck, Offender Rehabilitation Counselor Trapalis and IPA Committee Chair Rogers for their efforts in making this endeavor a success.
