

**Mother's Day at Albion Correctional Facility
May 15, 2014**

Throughout the entire month of May the Protestant Faith Community at Albion Correctional Facility (Orleans County) celebrates "Phenomenal Women" and the inmates are encouraged to give special recognition to women who have been inspirational in their lives. These public declarations promote gratitude and encourage self reflection on the life of the individual. On Mother's Day the oldest and youngest mother, along with the mother with the most children, were recognized. Also on Mother's Day, the bake sale goods, ordered in April, were delivered and distributed. Mother's Day 2014 was a day of gratitude and self reflection for the women at Albion.
