

**Watertown C.F wins SEFA Award
April 22, 2014**

Watertown Correctional Facility received special recognition and an award for raising the most funds in the large agency category at the State Employees Federated Appeal (SEFA) Campaign/Awards breakfast. Watertown employees demonstrated their commitment and support of various community agencies by showing their generosity when giving to the 2014 SEFA Campaign. The year's efforts were a true success as the employees were able to contribute \$14,027.25 to the charities of their choice. Watertown was able to surpass last year's campaign total by \$415.25. The SEFA team of Cindy Demo, Teacher 4; Thomas Williams, Vocational Instructor 4; and Benjamin Moore, Correction Officer, fulfilled this goal by recruiting thirty-three new donors who generously contributed enough to help meet and achieve this accomplishment.

From l. to r.: Patricia Burnell, Deputy Superintendent of Administration at Watertown; Angela Decker, Chairman of Jefferson-Lewis SEFA; Cynthia Demo, Teacher 4/SEFA Coordinator for Watertown; Superintendent Barry J. McArdle and Deborah Kinderman, Deputy Superintendent of Programs at Watertown.
