GENERAL INFORMATION

## OVERVIEW:

This Invitation For Bid (IFB) is issued by the New York State Department of Corrections and Community Supervision (DOCCS). DOCCS is responsible to provide medical services for inmates within correctional facilities 24 hours a day, 7 days a week. The service contract(s) awarded as a result of this IFB will be **standby contracts** for Registered Nurses at DOCCS Correctional Facilities located in **Region 4** of New York State. A map of New York State showing the Region 4 area is attached to this IFB. The standby contracts will only be utilized when the three awarded vendors for Region 4 on the New York State Office of General Services (OGS) Statewide Administrative Services Contract, Group 73003 / Award 22559 and the five awarded vendors for Region 4 on the DOCCS standby contracts cannot supply Registered Nurses to a correctional facility as required.

**Any vendor awarded a contract as primary, secondary or tertiary on the OGS statewide contract and the DOCCS standby contracts cited above is prohibited from submitting a response to this IFB.** Correctional facilities in Region 4 will utilize the resultant standby contracts only after contacting all currently awarded Region 4 contractors and it has been determined they cannot fill the required positions on a monthly basis.

## JOB DESCRIPTION, QUALIFICATIONS AND REQUIREMENTS:

The following description and qualifications contain the minimum job requirements for a registered nurse. The Contractor shall be responsible for ensuring that each candidate possesses all the required licenses and certifications associated with the job title. The Contractor shall also be responsible for compliance with all applicable Federal or State laws (e.g. HIPAA compliance for medical professions). DOCCS correctional facilities reserve the right to request candidates with additional qualifications.

Registered Nurse: Diagnose and treat a patient's health problems. Perform health assessments to identify new symptoms of possibly undiagnosed conditions or complications. Administer medication. Manage and deliver restorative or palliative care to the ill, disabled and dying. Teach and counsel patients about maintenance of health and prevention of illness or complications. Contribute as a member of an interdisciplinary health care team and as a consultant on health related committees to plan and implement the health care needs of inmates. Execute medical regimens as prescribed by licensed physicians, dentists, nurse practitioners, physician assistants, and podiatrists, and dentists. Includes advance practice nurses such as: clinical nurse specialists, certified nurse midwives, and certified registered nurse anesthetists. Advanced practice nursing is practiced by RNs who have specialized formal, post-basic education and who function in highly autonomous and specialized roles. Registered nurses must be licensed and have a minimum of one year work experience post licensure.

## PRICE:

Contractor's bid price shall include all costs of providing Employees, including but not necessarily limited to: all administrative requirements; all other additional costs such as necessary financial reports; all reporting or other requirements, all overhead costs and profit. It shall also include all parking fees, and any other ancillary fees and costs including permits, licenses, insurance, etc.; and services not explicitly stated in these specifications, but necessarily attendant thereto. Note: Prices must be rounded to the nearest cent.

## OVERTIME:

The hourly rates for Registered Nurses will be considered straight time costs for work accomplished during 40 hours in a single week regardless of time of day, day of the week or holidays. The rates paid for overtime shall be 1.5 times the pay rate, with the appropriate overtime markup.

Example: Pay Rate = \$30.00, Overtime Markup % = 35%

$\$30.00$  (Pay Rate)  $\times$  1.5 (time and a half for overtime) =  $\$45.00$  (Overtime Pay Rate)  
 $\times$  35% (Overtime Markup %) =  $\$15.75$   
Then  $\$15.75$  (Overtime Markup) +  $\$45.00$  (Overtime Pay Rate) =  $\$60.75$  (Overtime Bill Rate)

Pursuant to State Finance Law §§139-j and 139-k, this solicitation includes and imposes certain restrictions on communications between NYSDOCCS – Division of Support Operations and an Offerer/bidder during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of intent to solicit offers/bids through final award and approval of the Procurement Contract by NYSDOCCS – Division of Support Operations, and if applicable, the Office of General Services, and/or the Office of the State Comptroller (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j (3) (a). NYSDOCCS – Division of Support Operations employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. GENERAL INFORMATION

## TAX LAW § 5-A:

TAX LAW § 5-A (Amended April 26, 2006):

Tax Law § 5-a, as amended on April 26, 2006, requires certain contractors who are awarded state contracts for commodities and/or services valued at more than \$100,000 (over the full term of the contract, excluding renewals) to certify to the Department of Taxation and Finance (DTF) they are registered to collect New York State (NYS) and local sales and compensating use taxes. The law applies to contracts where the total amount of the contractor's sales delivered into NYS exceed \$300,000 for the four quarterly periods immediately preceding the quarterly period when the certification is made; and with respect to any affiliates and subcontractors whose sales delivered into NYS also exceed \$300,000 in the same manner as noted above for the contractor.

This law imposes upon certain contractors the obligation to certify whether or not the contractor, its affiliates, and its subcontractors are required to register to collect state sales and compensating use tax. The contractors must certify to DTF that each affiliate and subcontractor exceeding the sales threshold is registered with DTF to collect such State and local sales and compensating use taxes. The law prohibits the Comptroller, or other approving agency, from approving a contract to a vendor who is not registered in accordance with the law.

There are two (2) Contractor certification forms, with instructions, attached to this bid. Form ST-220-TD is to be removed from this bid and submitted directly to DTF. Submission to DTF is a one-time occurrence. If you have already submitted this form to DTF for other bidding opportunities, you do not need to submit the form attached to this bid. If, however, any certification information changes, a new ST-220-TD must be filed with DTF. Form ST-220-CA must be completed and submitted with this bid. This form certifies to the procuring agency that the contractor has filed ST-220-TD with DTF in compliance with the law.

Bidders should complete and submit the certification forms within two business days of request (if the forms are not submitted to DTF and/or and returned with bid). Bidders shall take the necessary steps to provide properly certified forms within a timely manner to ensure compliance with the law, as failure to do so may render a bidder non-responsive and non-responsible.

Vendors may call DTF at 1-800-698-2909 for any and all questions relating to Tax Law § 5-a and relating to a company's registration status with DTF. For additional information and frequently asked questions, please refer to the DTF web site: <http://www.tax.ny.gov>.

## TERMINATION FOR VIOLATION OF Revised Tax Law 5a:

NYS DOCCS reserves the right to terminate this contract in the event it is found that the certification filed by the Contractor in accordance with § 5-a of the Tax Law is not timely filed during the term of the contract or the certification furnished was intentionally false or intentionally incomplete. Upon such finding, (facility name) may exercise its termination right by providing written notification to the Contractor.

## DISPUTE RESOLUTION POLICY:

It is the policy of the NYSDOCCS – Division of Support Operations and the Office of the State Comptroller to provide vendors with an opportunity to administratively resolve disputes, complaints or inquiries related to NYS bid solicitations or contract awards. NYSDOCCS – Division of Support Operations and the Office of the State Comptroller encourages vendors to seek resolution of disputes through consultation with NYSDOCCS – Division of Support Operations staff. All such matters will be accorded impartial and timely consideration. Interested parties may also file formal written disputes.

## DEBRIEFING:

Bidders will be accorded fair and equal treatment with respect to their opportunity for debriefing. Disclosure of the content of competing bids other than statistical tabulations of bids received in response to an IFB, is prohibited prior to contract award. Prior to contract award, DOCCS shall, upon request, provide a debriefing which would be limited to review of that bidder's proposal or bid. After contract award, DOCCS shall, upon request, provide a debriefing to any bidder that responded to the IFB, regarding the reason that the proposal or bid submitted by the unsuccessful bidder was not selected for a contract award. The post award debriefing should be requested by the bidder within thirty days of contract award.

**CONTRACTOR REQUIREMENTS AND PROCEDURES FOR BUSINESS PARTICIPATION OPPORTUNITIES FOR NEW YORK STATE CERTIFIED MINORITY- AND WOMEN-OWNED BUSINESS ENTERPRISES AND EQUAL EMPLOYMENT OPPORTUNITIES FOR MINORITY GROUP MEMBERS AND WOMEN:**

Pursuant to New York State Executive Law Article 15-A and 5 NYCRR 140-145 Department of Corrections and Community Supervision (hereinafter referred to as "DOCCS") recognizes its obligation under the law to promote opportunities for maximum feasible participation of certified minority-and women-owned business enterprises and the employment of minority group members and women in the performance of DOCCS contracts.

**A. Business Participation Opportunities for MWBEs**

For purposes of this solicitation, DOCCS hereby establishes an overall goal of 30% for MWBE participation, 15% for New York State certified minority-owned business enterprises ("MBE") participation and 15% for New York State certified women-owned business enterprises ("WBE") participation (based on the current availability of qualified MBEs and WBEs). A contractor ("Contractor") on the subject contract ("Contract") must document its good faith efforts to provide meaningful participation by MWBEs as subcontractors or suppliers in the performance of the Contract and the Contractor agrees that DOCCS may withhold payment pending receipt of the required MWBE documentation. The directory of MWBEs can be viewed at: <https://ny.newnycontracts.com>. For guidance on how DOCCS will determine a Contractor's "good faith efforts," refer to 5 NYCRR §142.8.

In accordance with 5 NYCRR §142.13, the Contractor acknowledges that if it is found to have willfully and intentionally failed to comply with the MWBE participation goals set forth in the Contract, such finding constitutes a breach of Contract and DOCCS may withhold payment from the Contractor as liquidated damages.

Such liquidated damages shall be calculated as an amount equaling the difference between: (1) all sums identified for payment to MWBEs had the Contractor achieved the contractual MWBE goals; and (2) all sums actually paid to MWBEs for work performed or materials supplied under the Contract.

By submitting a bid or proposal, a bidder on the Contract ("Bidder") agrees to demonstrate its good faith efforts to achieve its goals for the utilization of MWBEs by submitting evidence thereof through the New York State Contract System ("NYSCS"), which can be viewed at <https://ny.newnycontracts.com>, provided, however, that a Bidder may arrange to provide such evidence via a non-electronic method by contacting the designated contact for this procurement. Please note that the NYSCS is a one stop solution for all of your MWBE and Article 15-A contract requirements. For additional information on the use of the NYSCS to meet Bidder's MWBE requirements please see the attached MWBE guidance, "Your MWBE Utilization and Reporting Responsibilities Under Article 15-A."

---

GENERAL INFORMATION

Additionally, a Bidder will be required to submit the following documents and information as evidence of compliance with the foregoing:

1. An MWBE Utilization Plan with their bid or proposal. Any modifications or changes to the MWBE Utilization Plan after the Contract award and during the term of the Contract must be reported on a revised MWBE Utilization Plan and submitted to DOCCS. DOCCS will review the submitted MWBE Utilization Plan and advise the Bidder of DOCCS acceptance or issue a notice of deficiency within 30 days of receipt.
2. If a notice of deficiency is issued, the Bidder will be required to respond to the notice of deficiency within seven (7) business days of receipt by submitting to the DOCCS, [address phone and fax information], a written remedy in response to the notice of deficiency. If the written remedy that is submitted is not timely or is found by DOCCS to be inadequate, DOCCS shall notify the Bidder and direct the Bidder to submit, within five (5) business days, a request for a partial or total waiver of MWBE participation goals. Failure to file the waiver form in a timely manner may be grounds for disqualification of the bid or proposal.

DOCCS may disqualify a Bidder as being non-responsive under the following circumstances:

- a) If a Bidder fails to submit a MWBE Utilization Plan;
- b) If a Bidder fails to submit a written remedy to a notice of deficiency;
- c) If a Bidder fails to submit a request for waiver; or
- d) If DOCCS determines that the Bidder has failed to document good faith efforts.

The Contractor will be required to attempt to utilize, in good faith, any MBE or WBE identified within its MWBE Utilization Plan, during the performance of the Contract. Requests for a partial or total waiver of established goal requirements made subsequent to Contract Award may be made at any time during the term of the Contract to DOCCS, but must be made no later than prior to the submission of a request for final payment on the Contract.

The Contractor will be required to submit a Contractor's Quarterly M/WBE Contractor Compliance & Payment Report to the DOCCS, by the 10<sup>th</sup> day following each end of quarter over the term of the Contract documenting the progress made toward achievement of the MWBE goals of the Contract.

## **B. Equal Employment Opportunity Requirements**

By submission of a bid or proposal in response to this solicitation, the Bidder/Contractor agrees with all of the terms and conditions of Appendix A – Standard Clauses for All New York State Contracts including Clause 12 - Equal Employment Opportunities for Minorities and Women. The Contractor is required to ensure that it and any subcontractors awarded a subcontract over \$25,000 for the construction, demolition, replacement, major repair, renovation, planning or design of real property and improvements thereon (the "Work"), except where the Work is for the beneficial use of the Contractor, undertake or continue programs to ensure that minority group members and women are afforded equal employment opportunities without discrimination because of race, creed, color, national origin, sex, age, disability or marital status. For these purposes, equal opportunity shall apply in the areas of recruitment, employment, job assignment, promotion, upgrading, demotion, transfer, layoff, termination, and rates of pay or other forms of compensation. This requirement does not apply to: (i) work, goods, or services unrelated to the Contract; or (ii) employment outside New York State.

The Bidder will be required to submit a Minority and Women-Owned Business Enterprises and Equal Employment Opportunity Policy Statement to DOCCS with their bid or proposal.

To ensure compliance with this Section, the Bidder will be required to submit with the bid or proposal an Equal Employment Opportunity Staffing Plan (Form # EEO 100) identifying the anticipated work force to be utilized on the Contract and if awarded a Contract, will, upon request, submit an Equal Employment Opportunity Workforce Employment Utilization Compliance Report identifying the workforce actually utilized on the Contract, if known, through the New York State Contract System; provided, however, that a Bidder may arrange to provide such report via a non-electronic method by contacting the designated contact for this procurement.

---

### GENERAL INFORMATION

Further, pursuant to Article 15 of the Executive Law (the "Human Rights Law"), all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor and sub-contractors will not discriminate against any employee or applicant for employment because of race, creed (religion), color, sex, national origin, sexual orientation, military status, age, disability, predisposing genetic characteristic, marital status or domestic violence victim status, and shall also follow the requirements of the Human Rights Law with regard to non-discrimination on the basis of prior criminal conviction and prior arrest.

Please Note: Failure to comply with the foregoing requirements may result in a finding of non-responsiveness, non-responsibility and/or a breach of the Contract, leading to the withholding of funds, suspension or termination of the Contract or such other actions or enforcement proceedings as allowed by the Contract.

### USE OF SERVICE-DISABLED VETERAN-OWNED BUSINESS ENTERPRISES IN CONTRACT PERFORMANCE

Article 17-B of the Executive Law enacted in 2014 acknowledges that Service-Disabled Veteran-Owned Businesses (SDVOBs) strongly contribute to the economies of the State and the nation. As defenders of our nation and in recognition of their economic activity in doing business in New York State, bidders/proposers for this contract for commodities, services or technology are strongly encouraged and expected to consider SDVOBs in the fulfillment of the requirements of the contract. Such partnering may be as subcontractors, suppliers, protégés or other supporting roles. SDVOBs can be readily identified on the directory of certified businesses at: [http://ogs.ny.gov/Core/docs/CertifiedNYS\\_SDVOB.pdf](http://ogs.ny.gov/Core/docs/CertifiedNYS_SDVOB.pdf)

Bidders/proposers need to be aware that all authorized users of this contract will be strongly encouraged to the maximum extent practical and consistent with legal requirements of the State Finance Law and the Executive Law to use responsible and responsive SDVOBs in purchasing and utilizing commodities, services and technology that are of equal quality and functionality to those that may be obtained from non-SDVOBs. Furthermore, bidders/proposers are reminded that they must continue to utilize small, minority and women-owned businesses consistent with current State law.

Utilizing SDVOBs in State contracts will help create more private sector jobs, rebuild New York State's infrastructure, and maximize economic activity to the mutual benefit of the contractor and its SDVOB partners. SDVOBs will promote the contractor's optimal performance under the contract, thereby fully benefiting the public sector programs that are supported by associated public procurements.

Public procurements can drive and improve the State's economic engine through promotion of the use of SDVOBs by its contractors. The State, therefore, expects bidders/proposers to provide maximum assistance to SDVOBs in their contract performance. The potential participation by all kinds of SDVOBs will deliver great value to the State and its taxpayers.

### FREEDOM OF INFORMATION LAW / TRADE SECRETS

During the evaluation process, the content of each bid will be held in confidence and details of any bid will not be revealed (except as may be required under the Freedom of Information Law or other State law). The Freedom of Information Law provides for an exemption from disclosure for trade secrets or information the disclosure of which would cause injury to the competitive position of commercial enterprises. This exemption would be effective both during and after the evaluation process.

Should you feel your firm's bid contains any such trade secrets or other confidential or proprietary information, you must submit a request to exempt such information from disclosure. Such request must be in writing, must state the reasons why the information should be exempt from disclosure and must be provided at the time of submission of the subject information.

Requests for exemption of the entire contents of a bid from disclosure have generally not been found to be meritorious and are discouraged. Kindly limit any requests for exemption of information from disclosure to bona fide trade secrets or specific information, the disclosure of which would cause a substantial injury to the competitive position of your firm.

GENERAL INFORMATION

## NEW YORK STATE VENDOR FILE REGISTRATION

Prior to being awarded a contract pursuant to this Solicitation, the Bidder(s) and any designated authorized resellers who accept payment directly from the State, must be registered in the New York State Vendor File (Vendor File) administered by the Office of the State Comptroller (OSC). This is a central registry for all vendors who do business with New York State Agencies and the registration must be initiated by a State Agency. Following the initial registration, unique New York State ten-digit vendor identification numbers will be assigned to your company and to each of your authorized resellers (if any) for usage on all future transactions with New York State. Additionally, the Vendor File enables vendors to use the Vendor Self-Service application to manage all vendor information in one central location for all transactions related to the State of New York. If Bidder is already registered in the New York State Vendor File, list the ten-digit vendor ID number on the Bid Signature Page. Authorized resellers already registered should list the ten-digit vendor ID number along with the authorized reseller information.

If the Bidder is not currently registered in the Vendor File and is recommended for award, DOCCS shall request completion of OSC Substitute W-9 Form. A fillable form with instructions can be found at the link below. In addition, if authorized resellers are to be used, an OSC Substitute W-9 form should be completed by each of the designated authorized resellers and submitted to the Office of General Services Business Services Center. The Office of General Services Business Services Center will initiate the vendor registration process for all Bidders recommended for Contract Award and their authorized resellers. Once the process is initiated, registrants will receive an email from OSC that includes the unique ten-digit vendor identification number assigned to the company and instructions on how to enroll in the online Vendor Self-Service application. For more information on the vendor file please visit the following website: [http://www.osc.state.ny.us/vendor\\_management](http://www.osc.state.ny.us/vendor_management)  
Form to be completed: [https://www.osc.state.ny.us/vendors/forms/ac3237s\\_fe.pdf](https://www.osc.state.ny.us/vendors/forms/ac3237s_fe.pdf)

## NYS VENDOR RESPONSIBILITY QUESTIONNAIRE

DOCCS conducts a review of prospective contractors ("Bidders") to provide reasonable assurances that the Bidder is responsive and responsible. A Questionnaire is used for non-construction contracts and is designed to provide information to assess a Bidder's responsibility to conduct business in New York based upon financial and organizational capacity, legal authority, business integrity, and past performance history. By submitting a bid, Bidder agrees to fully and accurately complete the "Questionnaire." The Bidder acknowledges that the State's execution of the Contract will be contingent upon the State's determination that the Bidder is responsible, and that the State will be relying upon the Bidder's responses to the Questionnaire when making its responsibility determination.

DOCCS recommends each Bidder file the required Questionnaire online via the New York State VendRep System. To enroll in and use the VendRep System, please refer to the VendRep System Instructions and User Support for Vendors available at the Office of the State Comptroller's (OSC) website, [http://www.osc.state.ny.us/vendrep/vendor\\_index.htm](http://www.osc.state.ny.us/vendrep/vendor_index.htm) or to enroll, go directly to the VendRep System online at <https://portal.osc.state.ny.us>

OSC provides direct support for the VendRep System through user assistance, documents, online help, and a help desk. The OSC Help Desk contact information is located at <http://www.osc.state.ny.us/portal/contactbuss.htm>. Bidders opting to complete the paper questionnaire can access this form and associated definitions via the OSC website at: [http://www.osc.state.ny.us/vendrep/forms\\_vendor.htm](http://www.osc.state.ny.us/vendrep/forms_vendor.htm)

The Contractor must remain a responsible vendor throughout the duration of the contract and, if at any time the Contractor is found to be not responsible or there is a question as to the vendor's responsibility, any activities pursuant to the contract may be suspended. Finally, the contract may be terminated following a finding of non-responsibility.

To assist the State in determining the responsibility of the Bidder, the Bidder should complete and certify (or recertify) the Questionnaire no more than six (6) months prior to the bid due date.

A Bidder's Questionnaire cannot be viewed by DOCCS until the Bidder has certified the Questionnaire. It is recommended that all Bidders become familiar with all of the requirements of the Questionnaire in advance of the bid opening to provide sufficient time to complete the Questionnaire.

---

**GENERAL INFORMATION**

The Bidder agrees that if it is found by the State that the Bidder's responses to the Questionnaire were intentionally false or intentionally incomplete, on such finding, DOCCS may terminate the Contract. In no case shall such termination of the Contract by the State be deemed a breach thereof, nor shall the State be liable for any damages for lost profits or otherwise, which may be sustained by the Contractor as a result of such termination.

The CONTRACTOR shall at all times during the Contract term remain responsible. The CONTRACTOR agrees, if requested by the Commissioner of DOCCS or his designee, to present evidence of its continuing legal authority to do business in New York State, integrity, experience, ability, prior performance, and organizational and financial capacity.

The DOCCS Commissioner or his designee, in his or her sole discretion, reserves the right to suspend any or all activities under this Contract, at any time, when he or she discovers information that calls into question the responsibility of the Contractor. In the event of such suspension, the Contractor will be given written notice outlining the particulars of such suspension. Upon issuance of such notice, the Contractor must comply with the terms of the suspension order. Contract activity may resume at such time as the DOCCS Commissioner or his designee issues a written notice authorizing a resumption of performance under the Contract.

**MINOR DEVIATIONS (s)/MINOR TECHNICALITY:**

DOCCS reserves the right to have the flexibility to consider bids with minor deviations or technicalities and to waive minor deviations or technicalities that may be consistent with the intent and scope of the solicitation. The flexibility may permit a reasonable outcome in cases where the results of a fair, competitive process are clear but the award of a contract is threatened due to a minor technicality or a minor deviation.

**PURCHASE ORDERS:**

All orders will be placed via purchase order by correctional facilities located in Region 4. Purchase orders are effective and binding upon the CONTRACTOR when placed in the mail and addressed to the CONTRACTOR. Services are required as soon as possible and shall be made in accordance with instructions on the Purchase Order from the ordering correctional facility. If there is a discrepancy between the purchase order and what is listed on the contract, it is the contractor's obligation to seek clarification from the ordering correctional facility.

**TOLL-FREE NUMBER:**

If available, contractors shall provide a toll-free telephone number for the agency's procurement usage. If bidder does not currently maintain a toll-free number, the bidder may offer to establish one prior to award of contract.

**CONTRACT PAYMENTS:**

Contractor shall provide complete and accurate billing invoices to the Agency in order to receive payment. Billing invoices submitted to the Agency must contain all information and supporting documentation required by the Contract, the Agency and the State Comptroller. Payment for invoices submitted by the Contractor shall only be rendered electronically unless payment by paper check is expressly authorized by the Commissioner, in the Commissioner's sole discretion, due to extenuating circumstances. Such electronic payment shall be made in accordance with ordinary State procedures and practices. The Contractor shall comply with the State Comptroller's procedures to authorize electric payments. Authorization forms are available at the State Comptroller's website as [www.osc.state.ny.us/epay/index.htm](http://www.osc.state.ny.us/epay/index.htm), by email at [epunit@osc.state.ny.us](mailto:epunit@osc.state.ny.us), or by telephone at (518) 474-4032. Contractor acknowledges that it will not receive payment on any invoices submitted under this Contract if it does not comply with the State Comptroller's electronic payment procedures, except where the Commissioner has expressly authorized payment by paper check as set forth above.

GENERAL INFORMATION

**BILLING:**

Invoices should be sent to the ordering correctional facility, Attention: Accounts Payable. Payment will be based on an invoice used in the supplier's normal course of business. Invoices must contain the Contract Number, description of services, quantity, price, as well as Federal Identification Number and New York State Vendor ID.

**INTEREST:**

Interest on late payment is governed by State Finance Law, Section 179-M.

**ESTIMATED/SPECIFIC QUANTITIES:**

The quantities or dollar values listed are estimated only.

**CONTRACT PERIOD AND RENEWALS:**

It is the intention of the State to enter into a contract for a period of 2 years & 10 months as stated on the Invitation for Bids except that the commencement and termination dates appearing on the Invitation for Bids may be adjusted forward unilaterally by the State for any resulting contract for up to two calendar months, by indicating such change on the Contract Award Notification.

The contract dates may be adjusted forward beyond two months only with the approval of the successful bidder. If, however, the bidder is not willing to accept an adjustment of the contract dates beyond the two month period, the State reserves the right to proceed with an award to another bidder.

**REJECTION:**

The State reserves the right to reject an obviously unbalanced bid or to make "NO AWARD" on individual listings or sub-items if individual bid prices are deemed to be unbalanced or excessive or if an error in the solicitation becomes evident. In such case, ranking and evaluation of bids may be made on remaining items. Award would be made on the remaining items. The determination of an unbalanced bid shall be at the sole discretion of the State. Options contained in this paragraph shall also be at the State's sole discretion.

**PRICE ADJUSTMENT:**

No price adjustments will be considered. Pricing shall remain firm for the entire contract period.

**CANCELLATION FOR CAUSE AND CONVENIENCE:**

This agreement may be terminated by mutual agreement upon thirty (30) days written notice. Also, NYS DOCCS – Division of Support Operations may terminate the agreement immediately for cause, upon written notice, if the contractor fails to comply with the terms and conditions of this agreement and/or with any laws, rules, regulations, policies or procedures of the State of New York affecting this agreement.

The State of New York retains the right to cancel this contract, in whole or in part without reason provided that the Contractor is given at least thirty (30) days notice of its intent to cancel. This provision should not be understood as waiving the State's right to terminate the contract for cause or stop work immediately for unsatisfactory work, but is supplementary to that provision. Any such cancellation shall have no effect on existing Agency agreements, which are subject to the same 30 day discretionary cancellation or cancellation for cause by the respective user Agencies.

Contractor shall warrant that the services acquired under this Contract will be provided in a professional manner in accordance with industry standards.
3. **DISQUALIFIED RESOURCES**

4. **LATE ARRIVAL**

An Authorized User shall not pay for any scheduled time for the period the Employee was late. In addition, repeated latenesses by multiple Employees from a single Contractor may be considered an example of poor service and may result in a cancellation of contract.
5. **MAINTENANCE OF A MASTER FILE**

The Contractor shall maintain a Master File for each Candidate and keep it in electronic format (i.e., electronic or scanned documents). The Contractor shall provide a Candidate's Master File to the Authorized User when suggesting a Candidate for a role.

A background check must be provided as per "Attachment 1 – Background Check Requirements" on the replacement Candidate before they begin working. However, at the discretion of the Authorized User, the replacement Candidate may begin work before the background check is completed, with the issuance of a written waiver by the Authorized User to the Contractor.

If an employee is performing work for more than one Authorized User, the Contractor shall inform each of the Authorized Users of the employee's schedule and actual hours worked so that all parties are aware of when the employee will reach 40 hours worked and at what point overtime rates would begin. An Authorized User is responsible for overtime rates when an Employee has performed 40 hours of work for said Authorized User. ## STANDARD CLAUSES FOR NYS CONTRACTS

The parties to the attached contract, license, lease, amendment or other agreement of any kind (hereinafter, "the contract" or "this contract") agree to be bound by the following clauses which are hereby made a part of the contract (the word "Contractor" herein refers to any party other than the State, whether a contractor, licenser, licensee, lessor, lessee or any other party):

**1. EXECUTORY CLAUSE.** In accordance with Section 41 of the State Finance Law, the State shall have no liability under this contract to the Contractor or to anyone else beyond funds appropriated and available for this contract.

**2. NON-ASSIGNMENT CLAUSE.** In accordance with Section 138 of the State Finance Law, this contract may not be assigned by the Contractor or its right, title or interest therein assigned, transferred, conveyed, sublet or otherwise disposed of without the State's previous written consent, and attempts to do so are null and void. Notwithstanding the foregoing, such prior written consent of an assignment of a contract let pursuant to Article XI of the State Finance Law may be waived at the discretion of the contracting agency and with the concurrence of the State Comptroller where the original contract was subject to the State Comptroller's approval, where the assignment is due to a reorganization, merger or consolidation of the Contractor's business entity or enterprise. The State retains its right to approve an assignment and to require that any Contractor demonstrate its responsibility to do business with the State. The Contractor may, however, assign its right to receive payments without the State's prior written consent unless this contract concerns Certificates of Participation pursuant to Article 5-A of the State Finance Law.

**3. COMPTROLLER'S APPROVAL.** In accordance with Section 112 of the State Finance Law (or, if this contract is with the State University or City University of New York, Section 355 or Section 6218 of the Education Law), if this contract exceeds \$50,000 (or the minimum thresholds agreed to by the Office of the State Comptroller for certain S.U.N.Y. and C.U.N.Y. contracts), or if this is an amendment for any amount to a contract which, as so amended, exceeds said statutory amount, or if, by this contract, the State agrees to give something other than money when the value or reasonably estimated value of such consideration exceeds \$10,000, it shall not be valid, effective or binding upon the State until it has been approved by the State Comptroller and filed in his office. Comptroller's approval of contracts let by the Office of General Services is required when such contracts exceed \$85,000 (State Finance Law Section 163.6-a). However, such pre-approval shall not be required for any contract established as a centralized contract through the Office of General Services or for a purchase order or other transaction issued under such centralized contract.

**4. WORKERS' COMPENSATION BENEFITS.** In accordance with Section 142 of the State Finance Law, this

contract shall be void and of no force and effect unless the Contractor shall provide and maintain coverage during the life of this contract for the benefit of such employees as are required to be covered by the provisions of the Workers' Compensation Law.

**5. NON-DISCRIMINATION REQUIREMENTS.** To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex (including gender identity or expression), national origin, sexual orientation, military status, age, disability, predisposing genetic characteristics, marital status or domestic violence victim status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

**6. At the discretion of the correctional facility, a replacement Candidate may begin work before the background check is completed, if there is the issuance of a written waiver by the correctional facility to the Contractor.

If the Candidate's Master File contains educational background verification and social security number verification, then these items may be omitted from the initial background check at the discretion of the correctional facility. If the Master File contains employment verification from previous engagements with the State, then employment verification is only required to be updated going back to the previous verification included in the Master File.

### **A. Background Check**

- (1) When a Contractor proposes a Candidate, any previously completed background check shall be furnished with such Candidate's resume and Master File at the time of proposal. If the correctional facility tentatively selects such Candidate, and the prior background check was completed more than six months before the correctional facility's tentative selection, then the Contractor shall perform an updated background check and provide the results thereof to the correctional facility. If there was no previous background check, the Contractor shall perform a complete background check and provide the results thereof to the correctional facility.
- (2) The Contractor is responsible for completing background checks on each Candidate prior to such Candidate beginning work. The completion of a background check of a given candidate shall not provide a given candidate with clearance to secured areas. A Contractor is required to maintain records of background checks for the Contract term, to include them in the Candidate's Master File, and make such records available to the State when requested.
- (3) At a minimum, the background check must include the following steps:
  - i. Undertaking a criminal history record check including a) a national criminal history check, and b) state and county criminal checks using the NYS Office of Court Administration (NYSOCA) and comparable searches of states where the person lived, worked or attended school during the past five years. In the alternative, a Contractor may elect to obtain the record of convictions

- from NYSOCA directly and from their equivalents from other states where the person lived, worked or attended school during the past 5 years;
- ii. For positions in which the Candidate may be working directly or indirectly with minors, the elderly, or incapacitated individuals, determine if the Candidate is listed on the NYS Sex Offender Registry. The Authorized User is responsible for communicating these circumstances to the Contractor;
  - iii. Verification of previous employment for the past five years;
  - iv. Verification of educational background;
  - v. Verification of social security number and U.S. citizenship or legal resident status;
  - vi. For Lot 11 job titles where driving a vehicle may be a job requirement, review of the NYS Department of Motor Vehicles driving records;
  - vii. Any other check requested by the correctional facility as necessary.

After the completion of the background check, the Contractor shall provide the results to the correctional facility. The correctional facility shall review the information and make a determination about the suitability of the Candidate for the position in accordance with the relevant statutory and contractual provisions.

### **B. Employee Removal**

If a Contractor becomes aware that any Employee it has provided to work for a correctional facility becomes a potential unacceptable risk to the State, the Contractor shall immediately notify the correctional facility, and jointly decide if it is necessary to remove that Employee from the site. If an Employee is removed, the Contractor will propose a qualified substitute Candidate. A correctional facility may waive the removal of an Employee by providing a written waiver to the Contractor. Should a correctional facility find an Employee to be an unacceptable risk to the State, the correctional facility shall notify the Contractor and may request that the Contractor provide a replacement Candidate.

### **Master File**

“Master File” shall mean an electronic file maintained by Contractor for each Candidate. The Master File must include for each Candidate a resume, qualifications, certifications, licenses, and background checks.
