Questions and Answers

Q1) These garages are valet, attended garages. The attendants park all vehicles. Is this acceptable?

A1) Yes, this is acceptable, this is what's currently done at the Manhattan Parking Garage.

Q2) Could you give a description of the Make and Model of the vehicles? Are the vehicles normal passenger vehicles? Are they large 4x4s? Are they vans, like a Ford Econoline E250?

A2) Please see attached list of Make, Type, and Model.

Q3) Are these vehicles personal property of employees who work at this location and arrive in the morning and go home at the end of the day

A3) No, these are state owned vehicles used for Official Duty only.

Q4) If state vehicles to use on state business, on the average, how many times will each vehicle go "in & out" each day.

A4) It varies depending on the need for the vehicles. A Bureau might take a vehicle of the garage today and it might not go back to the garage until the next day depending of the staff demand for the vehicle. The vehicle might be taken from the garage and return that same day and later that same day be taken again due to a custody or another bureau needing a vehicle.
