There is also a Notary Acknowledgement following the Summary Information Form. Bidders will have this completed and signed in lieu of Page 40 of the RFP.**

2) Change the following answers Question #43 and #56 in the Q&A document:

#	Question	RFP Section Reference	DOCCS Response
43	Please confirm that DOCCS will be willing to be property lessee to ensure that projects qualify for Remote Net Metering.	Section II.1: Type 2, page 3	Yes.
56	This section should make clear that Purchaser's right to claim any Environmental Attributes is subject to any claims or requirements of NYSEDA under the applicable NYSEDA incentive. It should also make clear that the Provider is entitled to all Tax Incentives and Environmental Incentives (where Environmental Incentives would be defined to include financial incentives, such as the NYSEDA award and Tax Incentives would defined to include all available federal, state, local tax credits and other incentives associated with System ownership). Suggest striking the reference to Green-e certification.	Attachment 9 - 5.3 (Environmental Attributes)	"DOCCS will negotiate a PPA with the winning bidder(s)"

3) In RFP, Section II, Number 3 (Type 2 Developer-Sited Projects) add the following:

- "The property upon which the solar array is located will be leased to DOCCS for a nominal amount."

4) Addendum #3 regarding Electronic Submission of Attachment 16 - Cost Proposal Form(s) is changed as follows:

The electronic version must be submitted no earlier than the bid due date of 3:00 PM EDT on October 5, 2015 but no later than close of business October 6, 2015.
