COMPLIANCE WITH  
STATE FINANCE LAW §139-J AND §139-K  
VENDOR RESPONSIBILITY QUESTIONNAIRE  
NON-DISCLOSURE AGREEMENT

## **Contractor's Certification of Compliance with State Finance Law §139-k(5)**

### **Background:**

New York State Finance Law §139-k(5) requires that every Procurement Contract award subject to the provisions of State Finance Law §§139-k or 139-j shall contain a certification by the Contractor that all information provided to the Division of Parole with respect to State Finance Law §139-k is complete, true and accurate (Attachment 1). In addition, State Finance Law §139-j(6) requires that the Division of Parole incorporate a summary of its policy and prohibitions regarding permissible Contacts during a covered procurement.

State Finance Law §§139-j and 139-k, also imposes certain restrictions on communications between the Division of Parole and Contractors during the procurement process. Potential Contractors are restricted from making contacts from the earliest notice of intent to solicit offers pursuant to the "Request for Proposal (RFP)" or "Invitation for Bids (IFB)" through final award and approval of the Procurement Contract by the Division of Parole and, if applicable, Office of the State Comptroller ("restricted period") to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law §139-j(3)(a). Regarding the RFP/IFB process you may only contact Barbara Farley, Contract Management Specialist II. Indicate your concurrence with this requirement in Attachment 2. Please note that during the RFP/IFB process that the Division of Parole is required to determine the responsibility of "the proposed Contractor" pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a 4-year period the Contractor is debarred from obtaining governmental Procurement Contracts.

Lastly, New York State Finance Law §139-k(2) obligates the Division of Parole to obtain specific information regarding prior non-responsibility determinations with respect to State Finance Law §139-j (Attachment 3). This information must be collected in addition to the information that is separately obtained pursuant to State Finance Law §163(9). In accordance with State Finance Law §139-k, potential Contractor must be asked to disclose whether there has been a finding of non-responsibility made within the previous four (4) years by the Division due to: (a) a violation of State Finance to the Division of Parole. The terms "Offerer" and "Governmental Entity" are defined in State Finance Law § 139-k(1). State Finance Law §139-j sets forth detailed requirements about the restrictions on Contacts during the procurement process. A violation of State Finance Law §139-j includes, but is not limited to, an impermissible Contact during the restricted period (for example, contacting a person or entity other than the designated contact person, when such Contact does not fall within one of the exemptions).

As part of its responsibility determination, State Finance Law §139-k(3) mandates consideration of whether a Contractor fails to timely disclose accurate or complete information regarding the above non-responsibility determination. In accordance with law, no Procurement Contract shall be awarded to any Contractor that fails to timely disclose accurate or complete information under this section, unless a finding is made that the award of the Procurement Contract to the Contractor is necessary to protect public property or public health safety, and that the Contractor is the only source capable of supplying the required Article of Procurement within the necessary timeframe.

**Instructions:**

The Division of Parole must obtain the required certifications that the information in your proposal is complete, true and accurate and if any prior findings of non-responsibility, such as non-responsibility pursuant to State Finance Law §139-j exist. Accordingly, all potential Contractors submitting a proposal pursuant to the RFP/IFB must provide the four attached completed certification forms with their proposal.

**Contractor's Certification of Compliance

C. DOP may terminate this Agreement without cause by ninety (90) days prior written notice. In the event of such termination, the parties will adjust the accrued amount due and the CONTRACTOR will undertake no additional expenditures not already required. #### **V. SCOPE OF SERVICES**

A. Pursuant to this Agreement, CONTRACTOR shall provide the services set forth herein and in Appendices B and C hereto. Appendix C contains a description of the services to be provided by CONTRACTOR, the schedule for the provision of services by CONTRACTOR shall be evaluated, and the compensation due CONTRACTOR for the provision of these services.

B. It is expressly understood and agreed by CONTRACTOR that any and all services specified in this Agreement shall be provided only at the direction of the DOP.

B. DOP agrees to pay CONTRACTOR, at the option of CONTRACTOR, a cash advance to facilitate the provision of residential stabilization services pursuant to this AGREEMENT, said advance not to exceed \_\_\_\_\_. This cash advance is based upon the estimated costs that will be incurred by CONTRACTOR prior to receiving its first monthly reimbursement from DOP, and it shall be payable on the first day that services are provided by CONTRACTOR pursuant to this AGREEMENT. Any cash advance provided by DOP shall be repaid by CONTRACTOR at the completion of the contract or at any time in the event that this AGREEMENT is terminated prematurely. DOP may withhold any payment due and owing to CONTRACTOR for the purpose of recouping the amount of the cash advance. In the event this AGREEMENT is renewed for an additional term, the cash advance allowed for pursuant to this paragraph may be continued into the new contract period, in the sole discretion of DOP, upon written request by CONTRACTOR.

In the event that federal, private, or any other type of financial assistance which was not included in the calculation of CONTRACTOR'S budget for the services to be provided pursuant to this AGREEMENT become available to CONTRACTOR, such financial assistance shall result in an equal reduction of the amount payable by PAROLE to CONTRACTOR. CONTRACTOR shall identify conspicuously the amount and source of any third party reimbursement or offsets on such vouchers.

F. No funds provided to CONTRACTOR by DOP pursuant to this Agreement may be used for any partisan political party or for any activities that may influence legislation or the election or defeat of any candidate for public office or for the advancement or defeat of any ideological, political or social issue.
